

University  
of **Regina**  
International 

**OPEN YOUR WORLD.**

University of Regina international students have a desire to learn more about themselves, the world and everything in it. Study in an academic environment that encourages creativity, innovation, and new experiences. Open yourself to exciting new personal development. Meet interesting people from diverse backgrounds and cultures. Make friendships that last a lifetime. Experience alternative ways of thinking, and learn from others as they learn from you. Discover a future filled with possibilities for you and your career. Enjoy all of these things with the constant support of UR International.

[www.uregina.ca/international](http://www.uregina.ca/international)

# WE WELCOME THE WORLD

Regina is your home away from home! It's safe and affordable, and provides a high standard of living.

## ABOUT CANADA

Canadians are known across the world as friendly, welcoming people who love to learn about different cultures. Canada welcomes more than 150,000 international students each year and spends more per capita on its education system than most countries. Our multicultural heritage means life here is diverse and exciting.

## ABOUT SASKATCHEWAN

With its growing population, booming economy and exciting future, Saskatchewan is a place where you can enjoy life and succeed. Located in the centre of Canada, Saskatchewan is a great starting point to explore the whole country. Direct flights from Regina International Airport can take you to most major Canadian cities.

Experience the natural beauty of Saskatchewan by taking a road trip to discover the majestic lakes in the plains of the south and the deep forests of the north. And take a break from your studies to enjoy camping, fishing, hunting, swimming, canoeing, and hiking at pristine lakes just outside of Regina. Fishing in Saskatchewan is among the best in the world, and you can see an abundance of wildlife. In winter, enjoy snowboarding, skiing, skating, and hockey as the snow falls around you.

**1.16**

Million people live in Saskatchewan

**4<sup>TH</sup>**

Highest salaries in Canada earned by Saskatchewanians

**6%**

Unemployment rate in Saskatchewan – 2<sup>nd</sup> lowest in Canada

**321**

Days of sun per year in Saskatchewan

**SASKATCHEWAN IMMIGRANT NOMINEE PROGRAM (SINP) IS OPEN TO UNIVERSITY OF REGINA GRADUATES.**

# A UNIVERSITY IN THE HEART OF THE CITY

In 2017, MoneySense magazine ranked Regina as one of the top 3 cities in Canada for new Canadians to live. Enjoy discovering the sights, sounds, and activities that this city has to offer.

## ABOUT THE CITY OF REGINA

Regina is the capital of Saskatchewan. In 2017, MoneySense magazine ranked it as one of the top 3 cities in Canada for new Canadians to live. With its diverse and growing population of over 240,000, Regina mixes the cultural amenities and employment opportunities of a large city with the friendly, community feel of a smaller urban centre.

## ABOUT THE UNIVERSITY OF REGINA'S SITE

The University of Regina is nestled in Wascana Park, one of the largest urban parks in North America. Imagine attending a university surrounded by natural beauty (including a lake) and kilometres of walking and bike paths.

Nearby are coffee shops, restaurants, and grocery stores where you'll find products from many cultures (a taste of home!). Downtown Regina, with its many stores and restaurants, is an easy bus, bike, or car ride away. In summer, you'll find the Regina Folk Festival, outdoor movies, and other exciting events. Regina is a city where newcomers find a real sense of home.

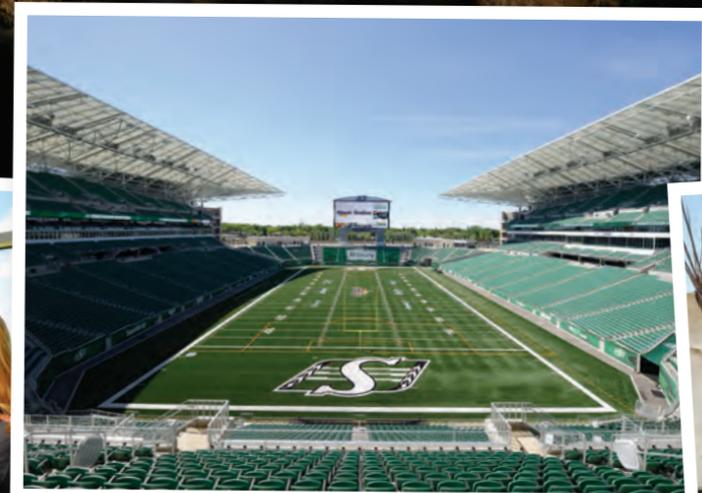

### EASY TO GET AROUND

- 5** minute walk from campus to nearby restaurants and stores.
- 10** minute drive from the Regina International Airport to the U of R.
- 15** minute bus ride to the shopping, culture, and festivals of downtown Regina.
- 20** minute bike ride to larger grocery stores, movie theatres, and malls.

Photo: Tourism Saskatchewan/Chris Hendrickson Photography

In Regina, our main campus and historic College Avenue campus occupy 239 acres and provide an attractive study and work environment for our students, faculty and staff.

# SUPPORT IS OUR STRENGTH

The UR International team is one of the best in Canada.

To stay up to date on programs, events, and important information, visit:  
[www.facebook.com/uofr.uri.regina](https://www.facebook.com/uofr.uri.regina)

## UR INTERNATIONAL — STUDENT SERVICES

UR International is your first point of contact as an international student at the University of Regina. UR International Student Services assists all international students with building a strong foundation for academic success. From the moment you are accepted and throughout the entire duration of your program, we provide personalized support and guidance in your academic journey.

### LIFE-SKILLS ADVISORS

Our Life Skills Advisor team is comprised of specialized staff who speak a variety of languages and are available to assist and support you throughout your time as a U of R student. Our wide range of services and programs will help you to transition to life in Canada with ease.

### EMERGENCY TELEPHONE

If you have an emergency, you can reach us at our toll-free number 24 hours a day, 7 days per week – guaranteed!

### IMMIGRATION GUIDANCE

We are dedicated to ensuring that you maintain your status in Canada. We will help you to understand how to legally maintain your immigration documents.

### GLOBAL LEARNING CENTRE

The Global Learning Centre provides several programs and services which support international students with their academic and non-academic needs.

- **Peer Advisor Program** – Peer Advisors are ready to assist and provide valuable support to new international students
- **English Coaching** – daily one-on-one English language support
- **Conversation Club** – group conversation practice and social activities for adjusting to life in Canada
- **Study Assistance** – daily assistance for various subjects and classes
- **Academic Workshops and Classes** – educational workshops and classes tailored to help students succeed in their studies

### SASKATCHEWAN HEALTH SYSTEM ASSISTANCE

Our office will explain the local health system to you: how to apply for a Saskatchewan health card, the health coverage options available to you, and what we offer our students on and off campus.

### AIRPORT WELCOME

We will greet you at the Regina International Airport and assist you with navigating the local transportation systems and make sure you reach your new residence.

### ORIENTATION

At Orientation, you will learn everything you need to know to navigate life at the U of R, and you will have several opportunities to meet other U of R faculty and staff (including the UR International team), as well as make new friends.

### STUDY PERMITS

To find information on how to apply to come to the University of Regina as an international student, please review the following Immigration, Refugees and Citizenship Canada (IRCC) website: [www.canada.ca/en/immigration-refugees-citizenship/services/study-canada.html](http://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada.html)

### STUDYING AND WORKING IN CANADA AS AN INTERNATIONAL STUDENT

It is possible to work while you study, help your spouse or common-law partner get a work permit while you study, work temporarily, or stay permanently in Canada after you graduate as an international student from the University of Regina. For more information, please review the following IRCC website: [www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work.html](http://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work.html)

### STAY IN CANADA AFTER YOU GRADUATE

After you graduate from your program of study at the University of Regina, you may be eligible to work in Canada. The work experience you gain while working may help you qualify for permanent residence. For more information, please review the following IRCC website: [www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation.html](http://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation.html)

### GRADUATE RETENTION PROGRAM

International students who are considering making Saskatchewan their permanent home after graduation may wish to consider the Graduate Retention Program: [www.saskatchewan.ca/residents/education-and-learning/graduate-retention-program](http://www.saskatchewan.ca/residents/education-and-learning/graduate-retention-program)

Currently, the Graduate Retention Program is designed to support eligible applicants who file Saskatchewan income tax returns with tax rebates up to \$20,000 on tuition fees paid. This is another great reason to join the Saskatchewan community permanently after you complete your studies at the University of Regina.

### SASKATCHEWAN IMMIGRANT NOMINEE PROGRAM

Saskatchewan is one of the best places in Canada to make a life and to call home. The Saskatchewan Immigrant Nominee Program (SINP) is your gateway to immigrating to Canada: [www.saskatchewan.ca/residents/moving-to-saskatchewan/immigrating-to-saskatchewan](http://www.saskatchewan.ca/residents/moving-to-saskatchewan/immigrating-to-saskatchewan)

Saskatchewan's economy remains one of the best reasons for international students to consider permanent residency in the province. According to the Bank of Montreal, Saskatchewan's economic outlook remains positive, with growth in the forecast: <https://newsroom.bmo.com/2019-02-05-BMO-Blue-Book-Canadian-Businesses-Investing-for-Growth-As-Economy-Begins-to-Moderate>

From engaging employment opportunities to affordable housing, Saskatchewan continues to offer a bright future to those seeking new horizons. As a University of Regina student, you will have the opportunity to discuss with UR International about what's available to international students seeking a permanent life in Saskatchewan.

# UNDERGRADUATE STUDIES

## UNDERGRADUATE PROGRAMS

### FACULTY OF ARTS

#### (HUMANITIES & SOCIAL SCIENCES)

##### ANTHROPOLOGY

###### BACHELOR OF ARTS

Develop deep, useful, cross-cultural understanding of human beings. Gain insights into politics, culture, gender, race, language, kinship, and the complexities of globalization and multiculturalism in the modern world.

**EL: Co-op**

##### CLASSICAL AND MEDIEVAL STUDIES

###### BACHELOR OF ARTS

Learn to understand Greek and Roman art, literature, languages, and history. Study the Middle Ages, the Crusades, and Latin and Greek languages, and develop an ability to analyze complex issues, and to think creatively and analytical

**EL: Co-op**

##### ECONOMICS

###### BACHELOR OF ARTS

Explore how societies deal with economic problems, provide for the economic wellbeing of their citizens, decide what goods and services to produce, which methods to use in production, and to whom these goods and services will be distributed.

**EL: Co-op**

*Enhance your degree! Complete a Combined Major with Business Administration, Geography, History, or Statistics.*

##### ENGLISH

###### BACHELOR OF ARTS

Imagine yourself as an award-winning poet or novelist, or as a government policy advisor. Learn about authors from around the globe, diverse genres, and literary periods. Develop critical thinking and writing skills and strengthen your communications skills.

**EL: Co-op**

##### ENGLISH - CREATIVE WRITING CONCENTRATION

###### BACHELOR OF ARTS

This concentration might suit those interested in writing creative work such as poetry, fiction, or drama an area of focus within the major in English.

**EL: Co-op**

##### ENVIRONMENTAL STUDIES

###### BACHELOR OF ARTS

Study the concepts and interrelationships needed to understand the complexities of environmental issues, and how humans connect and interact with these issues.

**EL: Co-op**

##### FRENCH AND FRANCOPHONE INTERCULTURAL STUDIES

###### BACHELOR OF ARTS

The study of the French language, francophone history, and contemporary culture from around the world.

**EL: Co-op**

##### GEOGRAPHIC INFORMATION SCIENCE

###### BACHELOR OF GEOGRAPHIC INFORMATION SCIENCE

Gain practical and applicable knowledge in Geography and Environmental Studies. Geographic Information Science is the intellectual understanding behind the development and application of Geographic Information Systems (GIS) which allows you to utilize this emerging technology being used throughout the world to solve problems in multiple disciplines.

**EL: Co-op**

*Unique designation not offered anywhere else in North America!*

##### GEOGRAPHY

###### BACHELOR OF ARTS

The study of geography allows you to determine how people interact with their environment. The discipline is diverse and is based upon a blend of both natural and social sciences.

**EL: Co-op**

*Enhance your degree! Complete a Combined Major in Economics and Geography.*

##### HEALTH STUDIES

###### BACHELOR OF HEALTH STUDIES

Explore the social, psychological and biological determinants of wellness and illness. Learn to use the tools necessary to understand and evaluate health related theory, research and policy.

*\*Optional concentration in Indigenous Health and Well Being*

**EL: Fieldwork**

##### HISTORY

###### BACHELOR OF ARTS

History studies the many different nations, peoples and cultures of the past from a political, idealistic, economical, social, and cultural perspective. A history degree will help you understand how civilization has evolved and developed.

**EL: Co-op**

*Enhance your degree! Complete a Combined Major in Economics and History.*

##### HUMAN JUSTICE

###### BACHELOR OF HUMAN JUSTICE

Fosters an in-depth understanding of criminal and restorative justice, social and economic justice, human rights and relevant human services. Acquire skills in analytical and critical thinking and human service intervention. Two semesters of professional experience in second and fourth years of study.

**EL: Practicum required**

##### INDIGENOUS LANGUAGES: CREE OR SAULTEAUX

###### BACHELOR OF ARTS

FNUniv's Department of Indigenous Languages, Arts and Cultures works to strengthen the First Nations identity by ensuring the survival of Saskatchewan First Nations languages. The department offers majors in Cree, Sauteaux and minors in Cree, Dakota, Dene, Nakota, and Sauteaux.

**EL: Co-op**

##### INDIGENOUS STUDIES

###### BACHELOR OF ARTS

The program is open to both Indigenous and Non-indigenous students and explores the history and life of Indigenous people in Saskatchewan, Canada, North America and around the world. It incorporates traditional teachings offered by Elders, as well as traditional perspectives and content. Courses specifically foster critical thinking skills, written and oral expression, and the development of research methods.

**EL: Co-op**

##### INTERNATIONAL LANGUAGES (CHINESE, GERMAN, JAPANESE, SPANISH)

###### BACHELOR OF ARTS

Open the gateway to languages and cultures. Broaden your perspective on values and cultural traditions that are influential across the globe with courses focusing on language, religious beliefs, and cultural awareness.

**EL: Co-op**

##### INTERNATIONAL STUDIES

###### BACHELOR OF ARTS

Integrate international and regional area studies to explore global processes and structures that connect and affect countries around the world.

*Concentrations: Asian Studies, European Studies, Development Studies or International Affairs.*

**EL: Co-op**

##### JOURNALISM

###### BACHELOR OF ARTS

Study the history of journalism, media convergence and ownership trends, as well as Aboriginal issues in journalism. Learn newspaper and magazine writing, television and radio news and documentary production, digital editing and desktop and internet publishing.

**EL: Internship**

*Students spend a semester on an internship in a radio, television, newspaper, magazine or Internet newsroom.*

##### LINGUISTICS (INDIGENOUS LANGUAGES & LINGUISTICS PROGRAM)

###### BACHELOR OF ARTS

Linguists concern themselves with the structure of language: all forms of human language and the search for the patterns of sound, word-form, phrase structure and meaning that underlie language we use.

**EL: Co-op**

*Luther Most linguistic courses do not require fluency in another language.*

##### PHILOSOPHY

###### BACHELOR OF ARTS

Study classic philosophers such as Aristotle and Plato, and explore the influential and world-changing ideas of Descartes, Marx, and Rousseau. Learn to challenge and question the world we live in, re-evaluate the everyday and theorize about different belief systems.

**EL: Co-op**

##### PHILOSOPHY, POLITICS AND ECONOMICS

###### BACHELOR OF ARTS

Draw upon three disciplines to examine today's challenges using this interdisciplinary lens. Not only will you learn to identify these challenges, you will develop the knowledge and skills that could help solve them.

**EL: Co-op**

##### POLICE STUDIES

###### BACHELOR OF ARTS IN POLICE STUDIES

Professional path: complete three years of academic study followed by one term at the Saskatchewan Police College and a one-term internship with a police service. Academic path: complete all four years of academic study in the Department of Justice Studies focusing on theoretic and applied knowledge.

**EL: Practicum required**

*The Bachelor of Police Studies is a unique degree offering two programs of study: a professional path and an academic path.*

##### POLITICAL SCIENCE

###### BACHELOR OF ARTS

Tackle some of the most important questions faced by humankind, such as "What is the nature of community and what do we expect of others and them of us?" Think critically and systematically about human nature and society and the operation of our political institutions.

**EL: Co-op**

##### PSYCHOLOGY

###### BACHELOR OF ARTS

Why do we behave the way we do? Learn how people relate to each other and the world around them, while also learning about yourself. Psychologists tackle an array of questions about what makes us human.

**EL: Co-op**

##### RELIGIOUS STUDIES

###### BACHELOR OF ARTS

Explore the astonishing diversity of religious practices and beliefs around the world. Look into the sometimes-surprising origins and explanations of the myths, rituals, and symbols of different peoples.

**EL: Co-op**

## UNDERGRADUATE PROGRAMS CONTINUED

### RESOURCE AND ENVIRONMENTAL STUDIES

BACHELOR OF ARTS

Learn about resource and environmental legislation, resource management, contemporary environmental issues, and environmental and community health. Explore how these topics affect Indigenous peoples, cultures and histories.

*\* Must first complete Sask Polytech's Resource and Environmental Law Diploma.*

**EL: Co-op**

### SOCIOLOGY

BACHELOR OF ARTS

Study the relationships between people and institutions, and how these relationships affect our decision making and everyday lives. Analyze human social behaviour and complex social issues to understand social events and how they impact societies.

**EL: Co-op**

### WOMEN'S & GENDER STUDIES

BACHELOR OF ARTS

Explore the history, theory, and social constructs of women's and gender issues in this interdisciplinary program.

**EL: Co-op**

## FACULTY OF BUSINESS ADMINISTRATION

### ACCOUNTING

BACHELOR OF BUSINESS ADMINISTRATION

Learn accounting theories and practices in an applicable way. Gain experience with managerial, financial, and cost accounting practices, and learn how to prepare and analyze financial statements.

**EL: Co-op**

*Prepares students who wish to pursue their future CPA designation.*

### ENTREPRENEURSHIP

BACHELOR OF BUSINESS ADMINISTRATION

Prepare business plans and develop an understanding of venture capital and angel investing.

**EL: Co-op**

### FINANCE

BACHELOR OF BUSINESS ADMINISTRATION

Analyze and interpret financial information to make money-handling decisions. Examine financial concepts, theories and analyses, understand financial markets, identify and analyze risk to implement and manage resource allocation strategies.

**EL: Co-op**

*Prepares students who wish to pursue their future Certified Financial Planner (CFP) or Chartered Financial Analyst (CFA) designation.*

### HUMAN RESOURCE MANAGEMENT BACHELOR OF BUSINESS ADMINISTRATION

Learn to design and implement human resource strategies required to attract and retain highly qualified employees. Explore staffing systems, current recruitment trends and challenges, organizational analysis, management of a diverse workforce, and proper application of conflict resolution skills.

**EL: Co-op**

*Prepares students who wish to pursue their future Certified Human Resource Professional (CHRP) designation.*

### INTERNATIONAL BUSINESS

BACHELOR OF BUSINESS ADMINISTRATION

Apply a global perspective to business management and develop an understanding of international trade and the international monetary system. Learn about multinational business operations, economic integration, and international business relations.

**EL: Co-op**

*Prepares students who wish to pursue their future Certified International Trade Professional (CITP) designation. Certain courses within this major have also been accredited by Forum for International Trade and Training (FITT) for advance standing.*

### MANAGEMENT

BACHELOR OF BUSINESS ADMINISTRATION

Become an expert in business management theory and practice, organizational behaviour, operations management, communications, and overall management decision making. Learn how to develop and implement organizational strategies.

**EL: Co-op**

### MARKETING BACHELOR OF BUSINESS ADMINISTRATION

Develop research skills and the ability to predict consumer behaviour. Create and implement marketing strategies, understand consumer buying behaviour and strategically align products with the right market for public and non-profit organizations.

**EL: Co-op**

## FACULTY OF EDUCATION

### EDUCATION - ARTS

BACHELOR OF EDUCATION

Prepares graduates to teach arts education from Kindergarten through Grade 12. Gain tools to plan and lead artistic experiences for individuals and groups of diverse backgrounds, assess learning levels, and collaborate with other leaders.

**EL: Internship**

*Direct-entry program/competitive, Change: 4-year program!*

### EDUCATION - BACCALURÉAT EN ÉDUCATION ÉLÉMENTAIRE/ SECONDAIRE

BACHELOR OF EDUCATION

Prepares grads to teach in elementary or secondary level Francophone or French immersion schools. Students spend second year at Université Laval in Quebec City.

**EL: Internship**

*Direct-entry program/competitive; Université Laval for second year.*

### EDUCATION - BACCALURÉAT EN ÉDUCATION SECONDAIRE VOIE FRANCAIS DE BASE

BACHELOR OF EDUCATION

This program has an orientation towards teaching at the secondary level. Major area is French, minor is required.

**EL: Internship**

*Direct-entry program/competitive*

### EDUCATION - ELEMENTARY

BACHELOR OF EDUCATION

Broad based program that prepares school professionals to teach core curriculum subjects, including: arts education, health, language arts, mathematics, physical education, science, and social studies at the Pre-Kindergarten to Grade 9 level.

**EL: Internship**

*Direct-entry program/competitive*

### EDUCATION - INDIGENOUS (ELEMENTARY AND SECONDARY) BACHELOR OF EDUCATION

FACULTY OF EDUCATION

Holistic First Nations teaching perspective prepares students for both the elementary and secondary levels. Specific courses designed to introduce teachers to unique needs of First Nations students.

**EL: Internship | FC: FNUniv**

### EDUCATION - SASKATCHEWAN URBAN TEACHER EDUCATION PROGRAM (SUNTEP)

BACHELOR OF EDUCATION

Incorporates native studies and cross-cultural education with a solid foundation in the mechanics of teaching while spending a substantial amount of time working with teachers and their students in mostly urban schools.

**EL: Internship**

### EDUCATION - SECONDARY

BACHELOR OF EDUCATION

You will be required to identify a major and minor area of focus. Majors: Biology, Chemistry, English, General Science, Health, Mathematics, Physical Education, Physics, and Social Studies. Minors: Arts Education, Dance, Drama, French, General Science, and Outdoor Education.

**EL: Internship**

*Direct-entry program/competitive*

## FACULTY OF ENGINEERING & APPLIED SCIENCE

### ENGINEERING - ELECTRONIC SYSTEMS

BACHELOR OF APPLIED SCIENCE

Focuses on analog and digital electronics with specialization streams in instrumentation and control, telecommunications, micro-electronics, and power and energy. Software and computer-related courses are part of the program, allowing students to develop greater software and hardware abilities.

**EL: Co-op, Internship**

### ENGINEERING - ENVIRONMENTAL SYSTEMS

BACHELOR OF APPLIED SCIENCE

Plan, design, and evaluate solutions to environmental problems in the areas of water resource systems, regional infrastructure systems, waste management, and air pollution.

**EL: Co-op, Internship**

### ENGINEERING - INDUSTRIAL SYSTEMS

BACHELOR OF APPLIED SCIENCE

Designed to develop engineers who can organize and effectively utilize the total resources of modern manufacturing and process industries. This includes the materials, machinery, facilities, people, and capital.

**EL: Co-op, Internship**

### ENGINEERING - PETROLEUM SYSTEMS

BACHELOR OF APPLIED SCIENCE

Evaluates, designs, and manages technologies in evaluating reserves, surface collection, and treatment facilities for oil and gas. Advanced computer utilization and automation combined with effective communications skills are integrated within the program. Techniques developed for the recovery of petroleum can be applied to the extraction of other important minerals.

**EL: Co-op, Internship**

*One of the largest accredited petroleum engineering programs in North America!*

### ENGINEERING - SOFTWARE SYSTEMS

BACHELOR OF APPLIED SCIENCE

Designed to develop engineers skilled in the professional construction and engineering of software systems and their life cycles. Such systems include World Wide Web transaction systems, management and information systems, and interactive multimedia systems.

**EL: Co-op, Internship**

## FACULTY OF MEDIA, ART & PERFORMANCE

### ART HISTORY

BACHELOR OF ARTS

Learn to understand art historically and across cultures, as well as different methods and techniques of various art media while acquiring tools to conduct research and interpret and evaluate works of art.

**EL: Professional Placement Program**

### CREATIVE TECHNOLOGIES

BACHELOR OF ARTS

Enhance your creativity with the power of technology and work outside traditional creative study areas through the linking of technology, music, and visual arts while working and studying new media.

**EL: Professional Placement Program**

*Unique program in Saskatchewan*

### CULTURES OF DISPLAY

BACHELOR OF ARTS

Students take specific Art History and Media, Art, and Performance courses to prepare for a career in the curatorial field. The program was designed to meet the demand for specific training in this area.

**EL: Professional Placement Program**

### FILM PRODUCTION BACHELOR OF FINE ARTS/ POST-BACCALAUREATE

DIPLOMA IN FILM PRODUCTION

Learn how to produce film and new media, including the elements of scriptwriting, directing, recording, editing, digital imaging, and sound production. You will also study the history, theory and analysis of motion pictures.

**EL: Professional Placement Program**

*The film production program is the only degree program of its kind between Toronto and Vancouver! The post-baccalaureate diploma program is a unique option for those who already have a degree.*

### FILM STUDIES

BACHELOR OF ARTS

Faculty of Media, Art, & Performance The film studies program results in a liberal arts degree where you will focus on media studies while developing skills in critical thinking, analysis, problem solving, decision making, and communication. You will also develop interdisciplinary knowledge and a strong awareness of culture.

**EL: Professional Placement Program**

### INDIGENOUS FINE ARTS & ART HISTORY

BACHELOR OF ARTS

The Department of Indigenous Fine Arts teaches not only the history of Indigenous art but also modern art and technique in both two and three dimensions.

**EL: Professional Placement Program**

### MUSIC

BACHELOR OF MUSIC, BACHELOR OF ARTS

The music program provides excellent preparation in the fields of performance (vocal or instrumental), composition, history, theory, or comprehensive music. Gain valuable experience in orchestral and ensemble conducting that will enable you to participate in dynamic vocal and instrumental ensembles.

**EL: Professional Placement Program**

## UNDERGRADUATE PROGRAMS CONTINUED

### THEATRE AND PERFORMANCE

BACHELOR OF ARTS

Train to become an actor, designer, stage manager, technical director, or researcher in a professional-track program. Study with world class professors who are active artists and researchers.

*Concentrations: Acting, Design, Stage Management*

**EL: Professional Placement Program**

### VISUAL ARTS

BACHELOR OF FINE ARTS

Develop your professional expertise in two- and three-dimensional art (e.g. painting, sculpture, ceramics, printmaking, etc.) while studying alongside established artists and researchers.

**EL: Professional Placement Program**

## FACULTY OF KINESIOLOGY & HEALTH STUDIES

### (EXERCISE SCIENCE & SPORT MANAGEMENT)

#### GERONTOLOGY

BACHELOR OF KINESIOLOGY

Study the social, psychological and biological aspects of aging. This program takes an active health approach to anticipating the needs of an aging population.

**EL: Fieldwork**

#### HEALTH PROMOTION

BACHELOR OF KINESIOLOGY

Learn about issues impacting the health of different populations. Study key factors in wellness promotion which are becoming more prevalent in health focused organizations.

**EL: Fieldwork**

#### HEALTH STUDIES

BACHELOR OF HEALTH STUDIES

Explore the social, psychological and biological determinants of wellness and illness. Learn to use the tools necessary to understand and evaluate health related theory, research and policy.

*\*Optional concentration in Indigenous Health and Well Being*

**EL: Fieldwork**

### HUMAN KINETICS

BACHELOR OF KINESIOLOGY

Focuses on biomechanics, physiology, exercise physiology, and movement theory in relation to health and disease. Also referred to as exercise science.

**EL: Fieldwork**

### SPORT AND RECREATION MANAGEMENT

BACHELOR OF SPORT AND RECREATION STUDIES

Blend your passion for sports and administration in Sport and Recreation Management. Graduate with a solid business foundation and a focus on the application to sport and recreation events or organizations.

**EL: Fieldwork, Internship**

### THERAPEUTIC RECREATION

BACHELOR OF SPORT AND RECREATION STUDIES

Study how leisure, play, and sport are a vital therapeutic component for people with mental or physical health issues or injuries in this nationally-certified program.

**EL: Fieldwork**

## FACULTY OF SCIENCE

### ACTUARIAL SCIENCE

BACHELOR OF SCIENCE

Become experts in risk management. You will apply mathematics, statistics, and risk theories to the design of insurance and pension programs and various business environments.

**EL: Internship**

### BIOCHEMISTRY

BACHELOR OF SCIENCE

Learn biophysics, molecular genetics, and complex biological processes. Focus is biosynthesis of natural products and understanding living cells at the molecular level. Expand your understanding of statistics and your ability to use your skills and knowledge in a laboratory context.

**EL: Co-op**

### BIOLOGY

BACHELOR OF SCIENCE

You will design experiments and projects, conduct field and laboratory research, and learn to think analytically and critically. Examples of areas you can explore are environmental issues, the workings of the human body, and photosynthesis. Concentrations: Cellular and Molecular Biology, or Ecology and Environment.

**EL: Co-op**

*Our graduate and undergraduate research is ranked in the top 1 percent of all plant and animal science departments in the world! This program can be completed with a Combined Major in Geology.*

### CHEMICAL TECHNOLOGY

BACHELOR OF SCIENCE

Learn to conduct chemical analyses, set up experiments, and develop chemical products. You will build upon logical and innovative thinking skills and write technical reports.

*\* Must first complete Sask Polytech Diploma*

### CHEMISTRY

BACHELOR OF SCIENCE

Conduct chemical analyses, design, synthesize and test new chemical products, and measure pollutants in the air, water and soil. Develop analytical, problem solving, and data interpretation skills through Hands-on work.

**EL: Co-op**

### COMPUTER SCIENCE

BACHELOR OF SCIENCE

Learn all aspects of computing from coding to user-interfaces. Explore how to program computers for simple and complex tasks such as computer graphics, animation, and video games.

**EL: Co-op**

*Accredited since 1982 – longer than any other program in Canada. This program can be completed with a Combined Major in Mathematics.*

### ECONOMICS

BACHELOR OF ARTS, BACHELOR OF SCIENCE

Explore how societies deal with economic problems, provide for the economic wellbeing of their citizens, decide what goods and services to produce, which methods to use in production, and to whom these goods and services will be distributed.

**EL: Co-op**

*Enhance your degree! Complete a Combined Major with Business Administration, Geography, History, or Statistics.*

### ENVIRONMENTAL BIOLOGY

BACHELOR OF SCIENCE

Explore contemporary environmental issues and learn how to monitor, assess and manage the use of natural resources, apply mapping and remote sensing techniques and conduct research.

*\*Must first complete a diploma program in Resource Management through SaskPolytechnic, Lethbridge, or Lakeland College.*

### ENVIRONMENTAL GEOSCIENCE

BACHELOR OF SCIENCE

Study the geological and geographic composition of the environment and the forces that shaped and continue to shape our Earth. The Environmental Geoscience undergraduate degree at the University of Regina provides students with the pre-requisites for registration as a Professional Geoscientist in Environmental Geoscience in accordance with provincial legislation in Saskatchewan.

### GEOGRAPHY

BACHELOR OF ARTS, BACHELOR OF SCIENCE

The study of geography allows you to determine how people interact with their environment. The discipline is diverse and is based upon a blend of both natural and social sciences.

**EL: Co-op**

*Enhance your degree! Complete a Combined Major in Economics and Geography.*

### GEOLOGY

BACHELOR OF SCIENCE

Geology is the study of the processes and physical structure of the earth. This program takes a very practical approach offering students the advantage of the university's access to drill cores (rock samples) and other resources.

**EL: Co-op**

### INDIGENOUS ENVIRONMENTAL SCIENCE

BACHELOR OF SCIENCE

Provides students with tools to become experts in multi-faceted disciplines in the sciences, environmental assessment, environmental resource management, mining, land development, natural resource exploration, and health impact.

**EL: Co-op**

### MATHEMATICS

BACHELOR OF SCIENCE

Your studies will focus on calculus, matrix algebra and differential equations and developing high level reasoning skills.

**EL: Co-op**

*This program can be completed with a Combined Major in Computer Science.*

### MEDICAL IMAGING

BACHELOR OF MEDICAL IMAGING

The medical imaging program trains you to understand and apply the principles of science and medicine as they relate to medical radiography. You will become skilled in the techniques and equipment used in diagnostic imaging departments.

*\* Must first complete SK Polytech Diploma*

### MEDICAL LABORATORY SCIENCE

BACHELOR OF MEDICAL LABORATORY SCIENCE

Explore various topics such as biology, organic chemistry, biochemistry, and genetics. You will participate in computer assisted research, statistical analyses of medical experiments and data, safety practices and infection control, and professional communication.

*\* Must first complete SK Polytech Diploma*

### PHYSICS

BACHELOR OF SCIENCE

Physics is the basis of all other sciences and involves the study of space, time and energy. This program is a co-operative effort between the U of R and participating industrial employers. These partnerships enable you to obtain hands-on, practical experience.

**EL: Co-op**

### PSYCHOLOGY

BACHELOR OF SCIENCE

Why do we behave the way we do? Learn how people relate to each other and the world around them, while also learning about yourself. Psychologists tackle an array of questions about what makes us human.

**EL: Co-op**

### SOFTWARE SYSTEMS DEVELOPMENT

BACHELOR OF SCIENCE

Enjoy solving technical problems or using simple programming languages to create your own computer games and software materials? Create, design, implement, and test large software systems throughout this program.

**EL: Co-op**

### STATISTICS

BACHELOR OF SCIENCE

Explore the data-driven science of how statistics and numbers help us understand the world, predict future events, and analyze information.

**EL: Co-op**

## FACULTY OF SOCIAL WORK

### SOCIAL WORK

BACHELOR OF SOCIAL WORK

Are you passionate about supporting individuals, families and communities to enhance their well-being and reach their full potential? Learn to counsel individuals, facilitate groups, analyze social policy and programs, develop and administer social programs, and empower community groups.

*\* Apply into Bachelor program after 1 year (minimum) of Pre-Social Work.*

**EL: Practicum required**

## FACULTY OF NURSING

### NURSING (REGISTERED NURSE)

BACHELOR OF SCIENCE IN NURSING

Study microbiology, Indigenous health, pharmacology, counseling, assessment and more. You will begin your nursing education in year 1 with opportunities to work directly with patients and clients. The program will enable you to make a real difference in the lives of your clients and communities and work as a valuable member of a health care team.

### ADMISSION OFFICE

■ CCE ■ U of R ■ La Cité ■ FNUUniv

## ENGLISH REQUIREMENT:

The following meet the University's English-Language Proficiency requirement:

- Successful completion of the English as a Second Language (ESL 050) program
- IELTS - Academic: Overall Band score of 6.5, with no band less than 6.0
- TOEFL: Internet Based\*: Overall 83, Reading: 20; Listening: 20; Speaking: 20; Writing: 20
- CanTest: Listening 4.5, Reading 4.5, Writing 4.0
- CAEL: 60
- MELAB: 85
- CELT: 60
- Pearson Test of English (PTE) Academic: Overall score of 59, no area with less than 59

Exception: Nursing has a higher proficiency requirement.

If you do not meet the English requirement, the university may choose (depending on the particular circumstances) to send you a **conditional acceptance letter** until you meet the required standard. You can use this letter to apply for your study permit.

Once you have met the English requirement, we will send you a full letter of admission.

# SHORT-TERM VISITS

For information on short-term visits, go to [www.uregina.ca/international/future-students/programs-dates-fees/short-term-visit.html](http://www.uregina.ca/international/future-students/programs-dates-fees/short-term-visit.html)

## CENTRE FOR CONTINUING EDUCATION

If you are 21 years of age or older or have approval from the Director of the Centre for Continuing Education, you can apply for open admission. This requires no documentation of your academic history.

If you are applying for regular admission, you must submit your official high school and post-secondary (if applicable) transcripts.

## VISITING STUDENT

If you are studying at another recognized post-secondary institution and would like to take some courses at the University of Regina toward your program, you can apply to be a visiting student.

Submit the application form at <https://www.uregina.ca/international/study-abroad/visiting-students1/how%20to%20apply.html>, along with the required supporting documents and the applicable fees.

For more information send an email to [study.abroad@uregina.ca](mailto:study.abroad@uregina.ca)

## VISITING UNDERGRADUATE RESEARCH STUDENT

At the University of Regina, talented undergraduate research students have the opportunity to work with a Supervisor on current research projects.

If you are interested in participating in this program, please refer to our website on how to apply and any applicable fees <https://www.uregina.ca/international/study-abroad/Visiting%20Research%20Student/How%20to%20Apply.html>

For more information send an email to [study.abroad@uregina.ca](mailto:study.abroad@uregina.ca)

## VISITING GRADUATE RESEARCH STUDENT

The Visiting Graduate Research Student category is available to graduate students who are enrolled in a degree program at an accredited university and who wish to do research at the University of Regina with an accredited faculty member as a host supervisor.

For more information, applicable fees, and how to apply, visit our website <https://www.uregina.ca/international/study-abroad/Graduate%20Research%20Student/index.html> or send us an email to [graduate.mobility@uregina.ca](mailto:graduate.mobility@uregina.ca)

## SPECIAL STUDENT

These are university graduates who wish to take additional courses to satisfy personal interest or for professional development.

If you have not previously attended the University of Regina, here is how to apply for admission as a special student:

1. Submit an undergraduate application form.
2. Submit the \$100 application fee.
3. Submit your official post-secondary transcripts.
4. Provide proof of your English-language proficiency.
5. Provide a copy of your passport's personal information page.

# HOW TO APPLY TO THE UNIVERSITY OF REGINA

Before you get here, do the following to apply for admission to undergraduate studies.

## COMPLETE YOUR APPLICATION

Follow the application process at [www.uregina.ca/international](http://www.uregina.ca/international)

1. Fill out the Online Application - [https://banner.uregina.ca/prod/sct/bwskalog.P\\_DisplLoginNon](https://banner.uregina.ca/prod/sct/bwskalog.P_DisplLoginNon)
2. Pay the \$100 CAN application fee. There are 3 ways you can pay:
  1. Credit Card (email the card number, expiry date and CVV code)
  2. Flywire (if you do not have a credit card you can transfer funds to us at [www.flywire.com/school/uregina](http://www.flywire.com/school/uregina))
  3. Cash (come to our office (College West Room 127 to pay)
3. Email us your documents in PDF format to [international.admissions@uregina.ca](mailto:international.admissions@uregina.ca)
  1. High School Transcript (Years 10,11 & 12)
  2. Front and back page (if there is information on it) of transcripts from additional education after High School
  3. Your English Language Proficiency test
  4. Copy of your passport

Original documents will be required once you arrive in Regina. Please be sure to provide a certified English translation for all documents. To gain transfer credit you are required to submit College and University transcripts directly from the institution or in a sealed envelope. Transfer credit will not be awarded for courses taken at institutions that are not listed on application forms We will contact you by email within 2-3 business days after the application has been received.

### Points of Note:

If you don't have your ELP yet, that's okay; we will issue you a Conditional Letter of Acceptance if you are academically admissible.

Once a decision has been made regarding your application, an answer will be sent electronically. If you are accepted and would like to get the acceptance package mailed, there is a fee of \$100 CAN. Please ensure to let the office know when you send in the application.

### NEED HELP APPLYING FOR UNDERGRADUATE ADMISSION?

International Enrolment Services is always available to help:

Telephone:  
**1-306-585-6260**

Toll Free:  
**1-855-683-2181**

Fax: **1-306-337-3128**

SKYPE Username:  
**URIAdmissions**

E-mail:  
**international.admissions@uregina.ca**

Facebook:  
**www.facebook.com/uofr.uri.regina**

### TRANSFER CREDIT

If you successfully completed courses at another post-secondary institution, you may apply for transfer credits. This is awarded at our faculties' discretion.

Students who successfully completed certain courses in International Baccalaureate programs or Advanced Placement are eligible for transfer credit.

# COST

Regina is one of the most affordable cities in Canada. From dining to entertainment, housing to transportation. The Queen city is a vibrant and thriving place, and with its attractive cost of living, you can actually afford to enjoy it!

## TUITION & COSTS

### Estimated One Year Tuition for International Students

6 COURSES PER YEAR (CAD)	10 COURSES PER YEAR (CAD)
\$13,100.00 - \$15,300.00	\$21,200.00 - \$24,900.00

Flexibility on the number of courses per year\*

\* International students who hold the valid study permit have to take minimum 3 courses per term in fall and winter semesters

# LIMITLESS OPPORTUNITIES AT THE U OF R

Regina is a great place to gain international work experience, and we will help you get a job.

## YOUR PATHWAY TO A PROFESSIONAL FUTURE IN CANADA

The UR International Team is designed to set you up with the knowledge and skills to find career-related employment while you study or after you graduate. We'll help you look for that perfect job.

### THE CO-OPERATIVE EDUCATION & INTERNSHIP PROGRAM

The U of R pioneered the Co-operative (Co-op) Education Work Experience Program in western Canada. Co-op gives you valuable experience-based learning while you're taking almost any undergraduate degree. In **2017**, these programs helped our students earn **over \$10 million**.

- **Learn while you earn.** Co-op students earn, on average, \$11,500 per four-month placement: as much as \$45,000 to help pay for their education. Participating students alternate between work and study semesters for the last three years of their program.
- **Explore your career options.** See what it is like to work in a specific field, and meet future employers.
- **Develop a network of contacts in your field.** Most co-op students get permanent job offers from their employers before they graduate.
- **Increase your earning potential.** The U of R makes more co-operative education and internship placements than all other post-secondary institutions in Saskatchewan combined.
- **Co-op Programs are offered in:** Liberal Arts, Business Administration, Engineering, and Science.

## CO-OP FACTS

**90% OF STUDENTS WHO APPLY FOR A CO-OP PLACEMENT GET ONE**

- **55% growth in the last 10 years, and 26% of these were international students working in Canadian placements**

**OVER \$10 MILLION EARNED IN 2017**

**\$3,100 PER MONTH AVERAGE SALARY IN 2017**

# SCHOLARSHIPS

A scholarship can ease the expense of tuition fees and living expenses in a university education. And good news: the number of scholarships that international students can apply for increases after their first year at the university.

## UR INTERNATIONAL'S TOP SCHOLARSHIPS

### UNIVERSITY OF REGINA INTERNATIONAL ENTRANCE SCHOLARSHIP

All international students who enter the University of Regina with a GPA of 85% or more receive their choice of either \$3,000 in tuition reimbursement or eight months of residence at the university.

### UR CIRCLE OF SCHOLARS - \$20,000

This scholarship program was created to recognize the best and brightest first-year students from our top 3 regions around the world entering the University of Regina each Fall. The scholarship is paid over 4 years (\$5,000 each year) to the student from each region with the highest Admission Average. New students coming directly from high school who apply for admission to the Fall semester by July 1st are automatically eligible.

*\*Restrictions do apply*

To learn more about scholarships, visit: [www.uregina.ca/safa/awards/index.html](http://www.uregina.ca/safa/awards/index.html)

**STUDENTS WITH  
85% GPA  
GET \$3,000  
OR 8 MONTHS  
FREE RESIDENCE!**

# LIVE HERE

U of R Residences are located right on campus, so you're always close to everything you need to succeed!

## RESIDENCE LIFE

Living on campus makes it easy to make new friends and get involved in both social and educational activities. Our residences are some of the most affordable in Canada, and with more than 16 room styles to choose from, we are certain there is a perfect room to call your home!

### ON YOUR OWN BUT NOT ALONE

When you live on campus, you have a whole team of friendly people to support you. Our Kīšik Towers location has helpful staff available 24 hours/day, 7 days/week. We are here to help with whatever you might need. In addition, Resident Assistants live in every building and are available any time to provide assistance or support. All campus locations are very safe and secure. Grad and Mature student Housing available.

### WHY YOU SHOULD LIVE HERE:

- It's Easy: Rooms are furnished – all utilities are connected and included!
- Great Location: It's the best location in the city! Be close to classes, food, and transportation!
- It's FUN! You will meet so many friends and enjoy numerous activities and events!

### SPECIAL FOR INTERNATIONAL STUDENTS:

#### International Application:

To make it easy for you to apply, we have created a Housing Application specifically for international students. Choose this if you would like to complete a shorter application and confirm your room in one step!

Apply Here: [www.uregina.ca/housing/apply/international-students.html](http://www.uregina.ca/housing/apply/international-students.html)

#### The Global Citizen Living-Learning Community (LLC):

A Living-Learning Community is a group of students that live together in student-housing because they share similar interests. This makes it really easy to make friends and get involved in university life! Each LLC Community is given a special location and we plan special programming and events just for you! The Global Citizen LLC offers 5 or 6 bedroom apartments in the beautiful College West location! This LLC is very popular with international students but also welcomes domestic students who appreciate building relationships across cultures. There is a \$100 participation fee for this community. To learn about this LLC, and other LLC options, visit our website or contact our team.

Learn more: [www.uregina.ca/housing](http://www.uregina.ca/housing)  
Contact us: [housing.services@uregina.ca](mailto:housing.services@uregina.ca)

## 5 ON-CAMPUS LOCATIONS TO CHOOSE FROM

### COLLEGE WEST RESIDENCE

College West has always been a favourite of international students, and now it's even better; completely renovated in 2018! Residents will love the modern apartment-style living and shared interactive spaces!

### LA RÉSIDENCE

A French speaking environment open to all language speakers, this cozy community offers 50 spacious, private rooms with full bathrooms and a small fridge. Several floors have been updated and offer modern lounges and amenities.

### PASKWĀW & WAKPÁ TOWERS

681 modern rooms, a view of campus, big screen TV's in our lounges, computer rooms, pool tables and much more.

### KĪŠIK TOWERS

A 606 bed location offering modern, fully furnished apartments, private dorms with washrooms, and common areas to make life on campus comfortable and convenient.

OVER 70  
SPECIALIZED PROGRAMS IN  
10 FACULTIES

# ESL: ENGLISH AS A SECOND LANGUAGE PROGRAM

Your Pathway to success at the University of Regina.

## ACADEMIC PROGRAM

### LEARN ENGLISH ON CAMPUS

The ESL program offers:

- 13 weeks of classes per term
- 3 terms per year (January, May and, September)
- 252 hours of instruction per term

**Core Classes:** 15 hours per week  
**Skill Classes:** 6 hours per week  
Classes are held on campus with an average class size of 16 students.

### CORE AND SKILL CLASSES

Core classes integrate all language skills listening, speaking, reading and writing, through a theme-based curriculum.

#### Levels

005 Low Basic  
010 Basic  
020 High Basic (also available in fast-track version)  
030 Low Intermediate (also available in fast-track version)  
040 High Intermediate  
050 Advanced English for Academic Purposes (EAP)

Skill classes focus on specific language skills.

#### Levels

Writing (005)  
Communication (005 – 030)  
Grammar and Writing (010 – 030)  
Academic Writing (040 – 050)  
Advanced Writing (050)

### FAST TRACK

Fast Track is an intensive, condensed version of the Academic Program's Level 020 (EFST 020) and Level 030 (EFST 030). These courses are intended for highly motivated and dedicated learners who would like to accelerate their progress through the ESL program.

### TERM DATES & TUITION

All prices are in Canadian dollars and these fees are nonrefundable:

- Application Fee: \$100 CAD
- Tuition Deposit Fee: \$500 CAD

### DIRECT ENTRY INTO ADVANCED EAP

To be eligible to enter Advanced EAP directly, you have to do at least one of the following:

- an overall IELTS (Academic) Band score of 6.0 with no IELTS Band score less than 5.0
- a TOEFL Paper score of 525 or a TOEFL iBT score of 70 with no skill below 17
- a CAEL score of 50

### ESL + 1

ESL + 1 gives you the opportunity to take one undergraduate course while you are currently taking the level of Advanced English for Academic Purposes (EAP).

Semester	Term Duration	Tuition (CAD)
Spring/Summer 2019	May 1 – July 26	\$4,170.00
Fall 2019	September 3 – November 29	\$4,220.00
Winter 2020	January 2 – March 27	\$4,220.00
