

INTO 

University pathways

for international students

2020–21

Preparation for success at a global university. **This is INTO City.**

Welcome to INTO City, University of London, your pathway to a degree from City, University of London – a global institution dedicated to providing academic excellence focused on business and the professions. We give international students like you the opportunity to study at one of the UK’s oldest and largest universities, in England’s vibrant capital city.

Best city in the world for students

(QS Best Student Cities 2019)

Triple-accredited Cass Business School

125 years of academic excellence

You'll study a specialist programme designed exclusively for international students and tailored to the requirements of the University. You'll complete your pathway course at our modern Study Centre in the heart of London's financial district – and with access to cutting-edge facilities on campus, you'll become part of the University community from the day you arrive.

Choosing to study abroad is a big decision, but at INTO City, University of London, we'll give you everything you need to succeed at university and beyond.

Choose #INTOCity and open up a lifetime of opportunities.

† QS World University Rankings by Subject 2019

About the University

For 125 years, City, University of London has combined exceptional education with leading research and enterprise – transforming the lives of its students, who come from more than 160 countries across the world.

Global outlook

With a broad range of cultures, backgrounds and experiences represented at City, you'll be joining a truly international community.

Students from more than 160 countries study at the University, which is committed to providing equal opportunities to all of its students regardless of race, religion, nationality or disability. Hundreds of INTO students go on to study at City each year, becoming an important part of the global community. Will you join them?

Academic excellence

City, University of London is a member institution of the University of London, one of the oldest and largest universities in the UK. Dedicated to providing an outstanding academic experience and unrivalled student support, studying at City will equip you with the tools you need to build a thriving and sustainable career.

Five specialist Schools

City is home to five specialist schools, each with outstanding academic departments, facilities and research centres.

- School of Arts and Social Sciences.
- School of Health Sciences.
- School of Mathematics, Computer Science and Engineering.
- The City Law School.
- Cass Business School, a triple-accredited institution positioned among the global elite of business schools, and in the top five business schools in the UK (Financial Times European Business School Ranking 2018).

Central London location

City's location is unbeatable. It's close to the capital's leading financial, legal, arts, media and medical institutions, making it the perfect place to develop your professional network. At City, you'll be ideally located to make the most of everything London has to offer – academically, culturally and professionally.

Find out more about the University:

www.intostudy.com/city/university

"City, University of London is a special place. With skill and dedication we have, for over a century, used education, research and enterprise to transform the lives of our students, our community and the world."

Professor Sir Paul Curran
President of City, University of London

Top specialist facilities

Learning at City, University of London isn't confined to the classroom – there are lots of specialist facilities available during your degree.

Financial Resources Suite

with Bloomberg, Thomson Reuters and Morningstar Direct terminals, and Bloomberg and Thomson Reuters dealing rooms at Bunhill Row.

City Interaction Lab

which houses a range of equipment for user-centred computer research and design.

Handley Page Laboratory

with wind tunnels and flight simulators.

TV and radio studios

radio broadcast newsrooms, digital newsrooms and TV editing and production newsrooms.

Recording and composition studios

a professional performance space, rehearsal rooms and world music instruments.

Two dedicated Law libraries

with a comprehensive collection of textbooks, journals, statutes, law reports and legal reference tools.

Life at the Centre

You'll study your pathway course at our modern Study Centre in the City of London, a vibrant and inspiring place to live and learn. Close to creative Shoreditch and a hub of finance and business, it's the perfect setting for the start of your journey at City, University of London.

"When I first arrived in the UK, the Student Services team made sure we spoke to students from all over the world. It's great to have a personal tutor to meet with weekly, because you always have someone to look at your work and help you achieve the best grade."

Yingxin, Hong Kong
Completed International Foundation and progressed to Business Studies at City, University of London

Your Study Centre

The INTO Study Centre is fully equipped with everything you need to succeed on your pathway course. Inside the Centre, you'll find:

- the Learning Resource Centre with books, journals and study materials
- the Welcome Desk, which is open from 8am-6pm should you have any questions or need support
- modern teaching rooms
- the IT hub, where you can ask for help with technical issues such as connecting to the internet
- lots of spaces for studying, socialising and group work
- a selection of drinks, meals and snacks at the INTO Café

While most of your pathway course will be taught at the Centre, you'll also be able to enjoy many of the University's excellent facilities, including:

- the University libraries and study spaces
- guest lectures delivered by City, University of London academics
- lessons in the University's laboratories (for those studying an Engineering pathway)

Supporting you

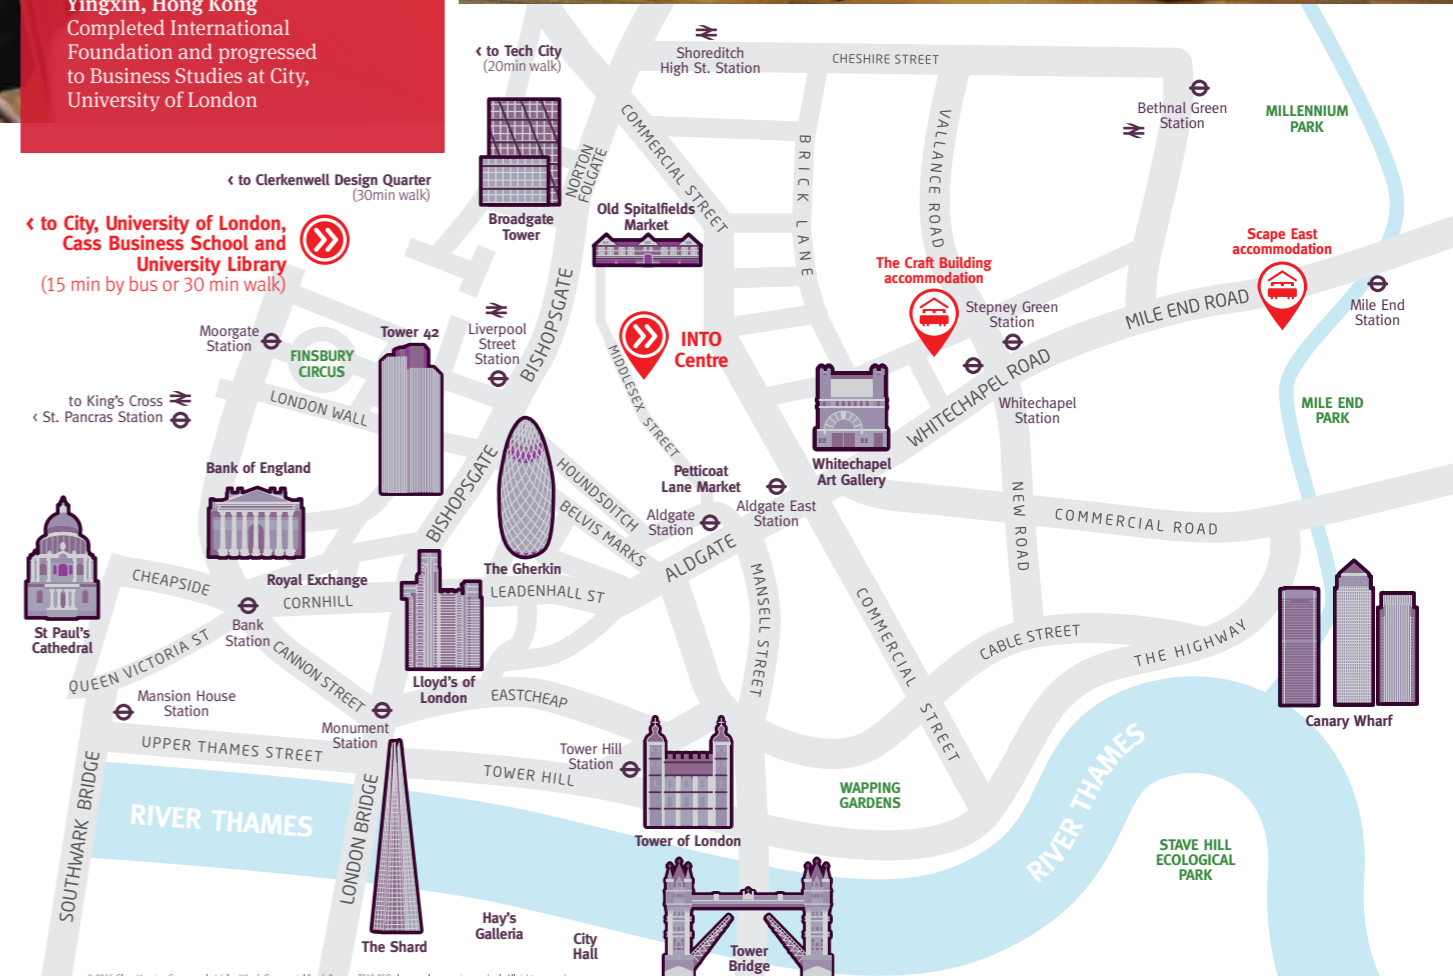

Our Student Services team will help you settle in to life in London. Throughout your time at the Centre, you'll have access to a range of excellent services, such as:

- help opening a bank account and registering with a doctor
- a 24-hour emergency telephone number
- extra support for students under 18, both on-site and at your accommodation
- one-on-one support from the University's Progression Officer
- subject talks from City academics to help you choose your degree

Get involved

From the moment you arrive, you can get involved in exciting social events, giving you the opportunity to get to know your new classmates. These will include:

- an orientation programme in your first week
- day trips, excursions and celebrations
- social, academic and career-focused events at the University.
- a lively social scene at CityBar, the Student Central hub and all other University facilities based at Northampton Square
- Student Central, which runs activities to bring together students from all 18 University of London institutions

Discover the City of London

Located in part of London known as ‘the City’, the INTO Centre sits at the heart of one of the most multicultural cities in the world. With global company headquarters, some of the capital’s best attractions and the creative district of Shoreditch on your doorstep, there’s something for everyone in the vibrant City of London.

The professional City

The City is one of the world’s top financial centres, and more than 500 international banks – along with influential businesses and institutions – are located here. Just a 15–20 minute walk from the INTO Centre, you’ll find ‘Tech City’ – home to global businesses including Google, Amazon and Microsoft.

You’ll be immersed in professional life, with plenty of opportunities to develop your network. It’s the perfect place to begin your journey to a successful career.

Discover the City’s history

The City is also the historic centre of London, and there’s lots to see and do. Some of the UK’s most famous landmarks can be found here. You can discover:

- St Paul’s Cathedral, a beautiful building that dates back more than 300 years
- Tower Bridge, an iconic symbol of London that crosses the River Thames
- the Museum of London, where you can learn about London’s fascinating heritage

Food heaven

London is a melting pot of cultures and communities, so you’ll have no problem finding tasty, authentic food from all over the world. Spitalfields, Petticoat Lane and Dinerama offer global street food just minutes from the Centre, so you can explore the world from right outside of your door.

Explore London and beyond

Thanks to excellent public transport, travelling in London by train, Underground or bus couldn’t be easier. Nearby Liverpool Street Station connects you to other UK cities – and the Eurostar and several international airports can take you further afield.

Find out more about life in London:

www.myin.to/LondonForStudents

“My advice is to wander this magical city to your heart’s delight.”

(National Geographic 2018)

Your home from home

With a choice of options, including student residences within easy reach of the Centre and homestay accommodation with approved hosts, it’s easy for you to find the perfect place to call home.

Scape East

These modern flats are just 15–20 minutes by Underground from the Centre, and offer bright communal areas where you can catch up with friends. Your single study room has a private bathroom and kitchen – but if you don’t fancy cooking, there’s an on-site restaurant. You can even choose to book your accommodation with a meal plan option and have breakfast and dinner cooked for you at the restaurant.

- En suite bathroom
- Communal areas
- Private kitchen
- Laundry facilities
- Wi-Fi
- 24/7 staff
- Gym facilities
- Accepts under 18s
- 20 MIN by Underground to INTO Centre

The Craft Building*

Choose this popular option and you’ll find yourself close to the vibrant areas of Brick Lane and Spitalfields Market. Your en suite room is part of a cluster of eight, sharing a kitchen and dining area – perfect for cooking together.

- En suite bathroom
- Laundry facilities
- Communal areas
- Wi-Fi
- Shared kitchen
- 10 MIN walk to INTO Centre

* Subject to availability

Homestay

This is a unique opportunity to experience British life and culture first-hand. You’ll have a private room in a carefully selected host’s home, sharing mealtimes and living spaces.

Supporting you

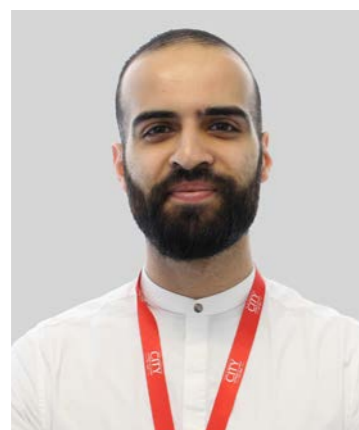

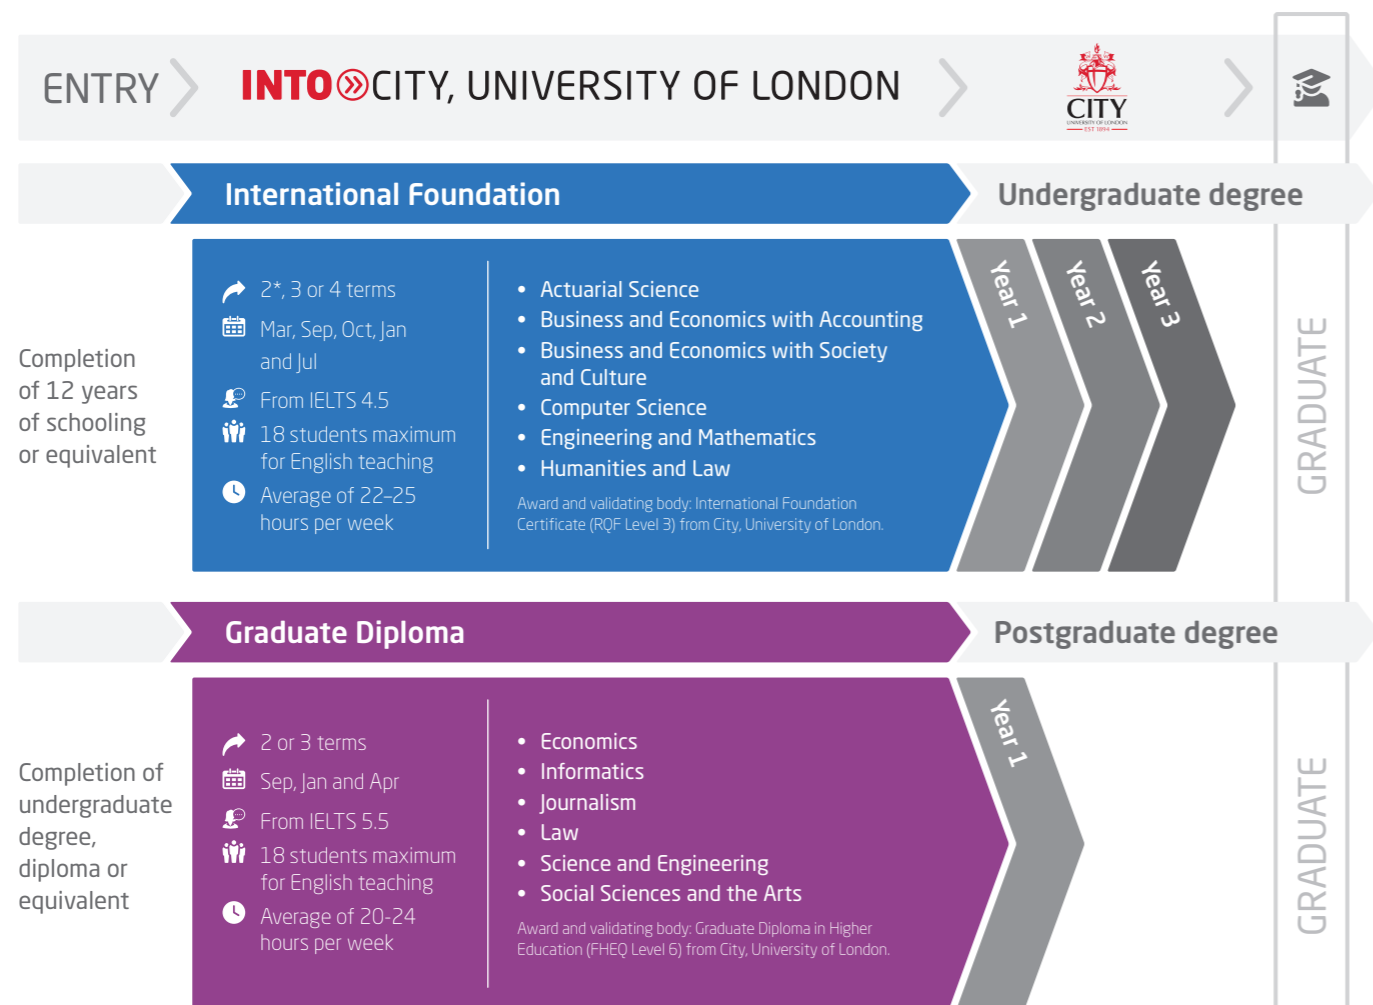

In all the residences, you’ll find staff available to offer support – and we’ll also provide you with an out-of-hours emergency telephone number.

If you’re under 18 and living in INTO-managed accommodation or in homestay, we offer extra support from residential wardens or homestay hosts.

INTO City, University of London aims to provide the accommodation requested. However, there may be occasions when INTO City, University of London is unable to provide the requested accommodation and reserves the right to offer an alternative type of accommodation instead. The price for any alternative accommodation may differ and will be confirmed to students at the time of their offer.

Choosing your course

Prepare for your university degree with our tailored, academic pathway programmes designed in partnership with City, University of London. You'll benefit from university-style teaching for subject-based modules and high academic standards. Then, when it comes to progressing to your chosen degree, we'll support you with your university application.

"As the dedicated Progression Officer for City, I aim to help provide you with the best chance to progress to City. I organise trips to visit City for you, offer tailored one-to-one support and advice on progressing, keep you up to date with the latest news, activities and events at City and much more. If you have any City related questions, my door is always open to students!"

Yusuf Ahmad
Progression Officer at INTO City, University of London

* Business and Economics with Accounting pathway only.
Please note that course length and start month options may vary depending on the pathway chosen. Please visit www.intostudy.com/city/courses for full information.

International Foundation

EN Academic English

- > For students who need to increase their IELTS level in order to progress to university. This intensive course offers rapid progress of up to one IELTS band per term.

Course features

- You will learn through face-to-face teaching and online learning to communicate effectively in English and improve your reading, writing, speaking and listening skills.
- A diverse social programme and effective academic content will help you to develop the fluency and confidence you need to progress to further study.
- Access INTO's interactive online learning platform, MyINTO, outside of class to practise your English language skills, complete tasks and engage with classmates.
- Developed in partnership with Cambridge English, the world leader in language assessment, INTO English Language Assessment (IELA) provides a standardised online assessment of all four core language skills throughout your studies. The IELA test is available to you as an additional form of assessment and allows you to choose from a wide range of Higher Education institutions.

EN Pre-sessional English

- > For students who are academically qualified and hold an offer from City, University of London but need to improve their English language skills to the level required for their degree.

Special features

- Prepare for your degree programme by learning English language and study skills tailored to the requirements of university study in a course ranging from 6 to 10 weeks.
- Learn from experienced teachers and alongside students who will be studying the same – or similar – subjects as you at City, University of London.
- Study academic vocabulary related to your degree and learn how to give presentations on different areas of academic interest to practise this terminology.
- Get used to living and studying in the UK and adjust to the style, challenges and expectations of the UK higher education system.

EN Pre-sessional English for Cass Business School

- > For students who are academically qualified and hold an offer from Cass Business School but need to improve their English language skills to the level required for their degree.

Special features

- Prepare for your degree programme by learning English language and study skills tailored to the requirements of university study in a course ranging from 4 to 8 weeks.
- Learn from experienced teachers and alongside students who will be studying the same – or similar – subjects as you at Cass Business School.
- Study academic vocabulary with a business focus and learn how to give presentations on different areas of business to practise this terminology.
- Get used to living and studying in the UK and adjust to the style, challenges and expectations of the UK higher education system.

5th in London

City, University of London is ranked 5th in London and top 30 in the UK for graduate employability

(QS Graduate Employability Rankings 2019)

"INTO was the first step to achieving my dream career. INTO has given me a sense of confidence, and I have learnt so much from my teachers and all my new friends from around the globe."

Elena, Russia
Graduated with MA International Journalism from City, University of London and is now working as an Advertising Sales Manager in Russia

"Thanks to the one-year foundation course with INTO, I gained lots of basic knowledge before I started my degree at City, University of London. It made me adapt to the University's life quickly!"

Qi, China
Studied International Foundation and progressed to Actuarial Science at City, University of London and is now completing a work placement at Sainsbury's Headquarters

"I successfully finished my postgraduate degree with a Distinction. INTO showed me the steps to success and City, University of London gave me the opportunity to meet that goal."

Eazaz, Bangladesh
Graduated with MSc Business Economics from City, University of London and is now working as a Managing Director in Bangladesh

"The Business, Accounting and Economics modules were building blocks for my future degree. When I progressed to Cass Business School I felt I had a real advantage, because most of the material was already familiar to me."

Sabina, Kyrgyzstan
Graduated with BSc (Hons) Banking and International Finance from City, University of London and now working as a Hedge Fund Analyst at BlackRock in London

"The subjects taught at INTO have set me aside from other students at City, University of London. I couldn't have got into the famous Cass Business School without the help of INTO."

Linshuo, China
Completed International Foundation and progressed to BSc (Hons) Actuarial Science at City, University of London
