

# THE UNIVERSITY OF SOUTH WALES WELCOMES STUDENTS FROM MALAYSIA

University of South Wales

September and February intakes available

With more than 30,000 students from all over the world, state-of-the-art facilities and teaching excellence, the University of South Wales is a great place to study. We offer undergraduate and postgraduate courses in a range of areas including business, management, engineering, chiropractic, hotel and hospitality, biology, psychology and the creative industries.

## What's on offer?

The University has campuses throughout South Wales, in Cardiff, Newport and Pontypridd. Our locations mean you can enjoy everything the region has to offer – city life and culture, stunning beaches and breathtaking countryside. Employability is at the heart of everything we do, with teaching informed by what happens in the real world. Our graduates have the skills that are essential for the workplace and value our employability schemes, business start-up support and opportunities to get actual experience, often as part of your course.

## Why choose the University of South Wales?

- Over 4,500 international students from across the world are already enjoying living and studying at the University of South Wales.
- Excellent employability rates, with 95% of our graduates gaining employment or further study within 6 months (DLHE 2018)
- Our courses are designed in conjunction with employers. Most courses have work placement opportunities and all are designed to prepare you for employment.

"What I really like about studying at USW is having the opportunity to communicate with people from different countries. Living in Cardiff allows me to travel around Europe during the holidays. I will never forget my 11 day trip to Italy. My friend and I visited Rome, Venice and Florence. It was amazing! At the University lecturers are really helpful and approachable. The library has ample facilities and useful resources. My course mates are encouraging and are always prepared to share their learning experiences.
