If your previous qualification is not listed on the website you can still apply for credit. Applicants seeking credit should include academic transcripts and curriculum details.

Application fees

An application fee of AUD$60 is required upon submission of the online application. If you need assistance completing the online application form you may wish to contact the International Centre or one of our authorised agents who will be happy to help you. The University does not charge an application fee if you submit online via an agent. See our website for details: **flinders.edu.au/international**

Prospective and current students should not use the online application system when applying for:

Please email **internationalapply@flinders.edu.au** or come to the International Centre for details on how to apply for these options.

When to apply
