**Sault College** is a fully-accredited Canadian public post-secondary institution granting Ontario college diplomas, certificates, and graduate certificates in over 50 full-time program areas. Sault College has been recognized as one of the top colleges in Ontario, **ranked number 1** or 2 for overall student satisfaction in the past 6 years, ranked the number 1 college for quality of facilities four years in a row, and number 1 in the province for quality of learning experiences.

Sault College offers small class sizes and a student-to-faculty ratio lower than the provincial average. Students are encouraged to learn in a supportive environment, with state-of-the-art labs to encourage student learning, including clinical simulation labs, an esthetician and hairstyling center, aviation flight simulators, heavy equipment shops, and more.

**Why Sault College?** Sault College is providing a transformative life experience through empowering their students. They want them to think and learn in progressive, innovative ways, including those we have not yet imagined. International students make up a **third** of the **population** at Sault College, representing **17 different countries**. Sault Ste. Marie was ranked in the top **10 friendliest cities** in Canada.

Sault Ste. Marie offers **employment support** services to international students, helping them find employment once their studies are complete. Job agencies work with Sault College to help support International Students. There are many employers and industries in Sault Ste. Marie, including forestry, manufacturing (steel and fabrication), lottery and gaming, renewable energy and aviation.

Sault College, also offers Diploma to Degree programs, in partnership with Algoma University. Under this partnership, qualifying students in eligible programs can complete their diploma at Sault College and move to Algoma University to complete their degree in four years.
