**Canada College** offers nationally competitive and internationally branded programs to students from across the globe. Since its establishment, Canada College has provided instruction and guidance to more than **20,000 students** from **160 different countries**, as well as holds partnerships with public and private sectors, other educational institutions, community establishments and government departments.

Their vision is to have positive effect on local and international students and education communities through constant modernization on the path of delivering programs and specific courses.

Their mission is to offer nationally competitive and internationally branded programs of study for students across the globe. Canada College offers college programs, language programs, test preparation and is a very well-known official test centre for high-stake internationally recognized tests in Canada and other countries.

**Why Canada College?** Canada College has provided instruction and advice to thousands of students. Canada College is more than just a college, it's a learning center and a meeting place for social exchanges.

Located in **Montreal, Quebec**, College Canada is an institution specializing in teaching technical, college and language training. Over the past thirty years, Canada College has trained students from across Canada and around the world. Their school has built a solid reputation for adequately meeting the needs of its students both academically and professionally.

**Post-graduation work permit** is offered for Canada College students. This allows students who have graduated to gain Canadian work experience. Students must be a graduate from Canada College, studying there for a minimum of 8 months.
