ABOUT THE UNIVERSITY

Successfully complete your pathway at INTO Manchester, and meet your progression requirements, to study at The University of Manchester – one of the top universities in the world. Study here and you'll be part of one of the UK's biggest student communities, making use of world-class, modern facilities housed among historic Victorian buildings.

Educational excellence

Prepare to study at one of the most respected institutions in the world. The University of Manchester is recognised for its high-quality education, research and academic achievements dating back more than 190 years.

This prestigious University is consistently rated in the top 30 in the world rankings and is currently ranked 27th in the world*.

Encouraging innovation

From the birth of the modern computer to the isolation of graphene, world-changing innovation is at the heart of the University. This elite Russell Group university is ranked 5th in the UK for 'research power'**.

Research covers one of the largest ranges of academic areas amongst UK universities. During your degree you may:

- be taught by staff with strong links to industry
- have the chance to undertake work experience
- contribute to research and studies in your subject area
- develop skills and knowledge that will boost employability.

Join a community of pioneers

Many of the 480,000 alumni have top positions in business, politics, industry and the arts across more than 190 countries around the world. With such a high calibre of real-world learning and an international focus, it's no wonder that 25 Nobel Prize winners have studied or worked at The University of Manchester throughout its impressive history.

Create your future

The University of Manchester also gives you the opportunity to boost your employability skills and set you up for future success. You can develop career-focused skills through:

- 'Stellify', the University's unique extracurricular scheme which involves volunteering, activities and career development opportunities
- the Manchester Leadership Programme
- the University's comprehensive Careers Service.

These services help The University of Manchester produce some of the most employable graduates around the world and you'll soon discover why it's the number one targeted university by top employers in the UK†.

UNIVERSITY FACILITIES

Whatever you choose to study at The University of Manchester, following your pathway at INTO Manchester, you'll benefit from a recent £1.75 billion investment in cutting-edge facilities and equipment – one of the biggest investments ever seen at a university in the UK.

Inspiring learning spaces

You'll have access to some excellent facilities as a **student at The University of Manchester**.

- **Alliance Manchester Business School** – home to the Behavioural Research Laboratory.
- **Manchester Engineering Campus Development** – the brand new Engineering building, the MECD will be the single largest home for Engineering in the UK when it opens in 2021.
- **Specialist facilities** – include a moot court (School of Law), MRI scanners (Faculty of Biology, Medicine and Health), a chemical manufacturing laboratory (Faculty of Science and Engineering) and much more.

Staying healthy

Students are entitled to discounted rates at the University's sports facilities, which includes three fitness suites, two 50-metre swimming pools and many indoor courts and outdoor pitches close to campus.

The Athletic Union is made up of more than 40 sports clubs so you also have the chance to represent the University. Other organised activities include campus sports leagues, hall sport sessions and health and fitness classes.

The city offers even more facilities, with Sportcity which includes an indoor tennis centre and an athletics centre and Manchester Velodrome. There's also Chill Factor indoor ski slope. All of this is just a short distance away.

Here are some of the facilities you'll have access to as an **INTO Manchester student**:

Science labs
(if you're on a science or engineering pathway)

Armitage and Sugden Sports Centres
(student discount available)

Manchester Aquatics Centre
(student discount available)

Main Library – one of the best-resourced academic libraries in the UK

Culture and creativity

When you live in Manchester, you'll be immersed in a lively world of music, art and fashion. You'll also have access to a bustling social calendar packed with festivals, all-day events, and free activities.

The city has over 30 museums and galleries, including:

- The Whitworth
- Manchester Museum
- Manchester Art Gallery
- Centre for Chinese Contemporary Art
- National Football Museum
- Museum of Science and Industry

The Portico, Chetham and Manchester Central Libraries are also a must-see in a city designated a **UNESCO City of Literature**.

Gourmet to everyday

With over 300 restaurants in the city, there's an exciting range of quality, modern British and international cuisine available, making it easy to find foods from around the world.

From fine dining in **Spinningfields** to street food at **Maker's Market**, you'll find options to suit your mood and budget. **Deansgate** offers everything from tapas to traditional British food while the cool cafés of the **Northern Quarter** are a favourite with locals.

Manchester's **Chinatown** is the second largest in Britain and has many Asian restaurants and supermarkets. There are also many restaurants and shops in **Rusholme**, offering South Asian and Middle Eastern cuisine and produce. You'll never run out of exciting options in Manchester!

An iconic sporting city

Manchester is home to two of the biggest names in sport: Manchester United and Manchester City. Manchester United's ground, **Old Trafford**, is the largest club ground in Britain, while Manchester City are based at the striking **Etihad Stadium**.

Fancy getting involved? The city offers a range of state-of-the-art facilities from indoor ski-slopes to velodromes. Sport is always at the heart of Manchester.

Getting out and about

Manchester is easy to get around on foot, by bus or by tram. It's also a great base to explore the UK and you can get to London in just two hours by train. **Manchester Airport** has flights to over 200 destinations including Europe, the US and Asia!

LIFE AT THE INTO CENTRE

Are you ready to live and learn in one of the UK's biggest and best student cities? With modern facilities in a historic building, an exciting programme of activities and a team of friendly staff, INTO Manchester has it all!

Your Study Centre

The INTO Manchester Centre offers you the chance to study in one of the most exciting and diverse cities in the world. Located in Bridgewater House, an impressive Edwardian era building, the Centre is right in the heart of bustling Manchester. Most of your classes will take place here, and you'll find everything you need to study and socialise in one location.

Our academic programmes here are taught in a similar way to what you'll experience at university so that you'll be ready when you progress. INTO Manchester's modern learning Centre includes:

- more than 40 teaching rooms featuring digital whiteboards
- well-equipped computing suites
- free Wi-Fi and internet access throughout
- 24/7 access to our virtual learning environment to download resources
- a Learning Resource Centre, with a wide range of online journals, books and excellent study materials
- silent study areas.

If you want a break between classes, relax in the break-out spaces where you can play table football with friends, or head out to the many cafés and shops on your doorstep. You'll soon feel right at home!

Supporting you

Studying in another country can be a big adjustment, and we're here to help you. Our friendly Student Services team will help take care of practicalities like accommodation, visa support and any questions about your course, so you can focus on your studies. You'll find our orientation programme in your first week invaluable, covering everything from opening a bank account to getting around the city – giving you all the information you need to help you settle in to your new life in Manchester.

Your safety is our priority

There's a 24-hour emergency telephone helpline if you need to speak to someone out of office hours. If you're under 18, we offer extra support that includes ensuring your safe transfer from the airport and checking on you each day at the residence where you'll live. You'll also be given a dedicated named person to contact to ensure your wellbeing and receive a copy of our code of conduct, which you must follow; especially outside of class when you'll be unsupervised. For more information, please see guidance for under 18s using the following link: www.intostudy.com/manchester/terms

"We can't wait to welcome you to the dynamic city of Manchester and help you settle into life in the UK. We have a team of experienced staff to help you with both academic matters and day-to-day living so you can concentrate on your studies and make the most of your time with us."

Dawn Abbott,
Centre Director

"You can not find a better place to study English than in the UK. I learned about different cultures, behaviours and religions. I think it has been the biggest experience of my entire life!"

Nixander, Colombia
Studied General English at INTO Manchester

All our English language courses at INTO Manchester have received accreditation from the British Council.

Successful INTO alumni

We have an excellent success rate, giving you a great chance to progress to the next stage of your journey. Below, our students talk about what they have achieved on and after their INTO programme.

"I'm so grateful I studied at INTO Manchester because it prepared me so much for university. When applying for my graduate position, I think my international experience gave me an edge over other candidates."

Anoud, Jordan
Graduated with MPlan (Hons) Town and Country Planning with First Class Honours from The University of Manchester and now working as Town Planner at TEP (The Environmental Partnership)

"Without the Foundation I wouldn't have ended up studying at The University of Manchester, so I probably wouldn't be working in a job I love. The transition between INTO and university was so smooth it felt like it was the same course."

Ildar, Kazakhstan
Graduated with BEng (Hons) Civil Engineering from The University of Manchester

"Studying at INTO gave me a very special experience. I met a lot of friends there and they were all from different countries. I studied economics and politics which gave me a solid foundation and helped me to further my studies at the University."

Yanyu, China
Graduated with BSc (Hons) Management (Accounting and Finance) from The University of Manchester

"I developed skills I wouldn't have had the chance to if I'd stayed in Ecuador. The University also offered support for CV reviews and training for interviews, which definitely helped prepare me."

Daniel, Ecuador
Graduated with BA (Hons) International Business, Finance and Economics from The University of Manchester and now studying MA Development Studies in The Netherlands

"INTO Manchester was my first step into discovering my strengths and weaknesses, conquering new challenges and solving problems. It provided me with the understanding of different scientific subjects that will help me in the very near future."

Reem, Saudi Arabia
Currently studying BSc (Hons) Software Engineering at The University of Manchester

"The Foundation is crucial for your university success. It helps you to start speaking advanced English, get your head around the rules of academic writing, and be part of a multicultural society, making lots of friends from all over the world."

Iaroslav, Russia
Graduated with MChem (Hons) Chemistry with Industrial Experience from The University of Manchester
