LaSalle College was founded in 1959 and is located in the LaSalle borough of Montreal. In 1998, LaSalle College expanded to Vancouver, British Columbia. LaSalle College has experienced a steady expansion of its educational network to countries around the world. They cater specifically to the needs of its growing student body.

LaSalle College offers more than just a qualification. It provides students with comprehensive learning experiences in a warm, inclusive, and dynamic environment. It pushes students to develop their skills in entrepreneurship and encourages them to innovate by fully assuming their place in society, as a global citizen.

LaSalle College Vancouver prides itself on small class size, a friendly environment, hands-on delivery, and excellent industry-experienced instructors. The goal is to provide excellence in knowledge building and skill development to assist its students in achieving their career goals.

Why LaSalle College? LaSalle College supports cultural, social, and economic diversity in the modern world. They help students develop the skills needed such as self-respect, respect for others, team spirit, open-mindedness, and the ability to adapt to any given situation.

LaSalle College continues to learn and utilize cutting-edge technologies used in the industry. They support students intellectual curiosity and open-mindedness towards continuing education.

LaSalle College is a post-secondary education institution, offering learning centered, career focused programs in the applied arts to a diverse and engaged student body. They seek to create a stimulating learning environment where committed and talented students, led by dedicated faculty, can develop their creativity and acquire the skills and knowledge to pursue careers in their fields of study.
