**Mohawk College** is one of the largest government-funded colleges in Ontario. Mohawk has three campuses: Fennell, Stoney Creek, and the Institute of Applied Health Sciences affiliated with McMaster University.

Mohawk offers students a rich learning environment that includes an amazing variety of experiential learning opportunities including co-op programs, labs, and simulations. Mohawk offers 160 programs in healthcare, technology and business, skilled trades, and more!

Mohawk has an annual enrollment of over 40,000 students including more than **4,000 international students** from **80+ countries** around the world. The international student population is a thriving part of the Mohawk College culture. They support international students with dedicated staff, services, social opportunities, language training, and more.

**Why Mohawk College?** Mohawk College's vision is "Future ready. Learning for life". Staff and faculty are dedicated to educating and preparing highly skilled graduates for success. In fact, **89%** of their graduates are **working** within **six months** of graduation.

Over 3,000 students participate in a co-op work term annually, ranging in lengths from four to sixteen months. There are more than **20+ co-op programs** available to international students. Work experience includes applied research, clinical and practicum placements, community projects, field placements, and industry simulations.

Mohawk programs offer a wide range of experiential learning activities that provide students with hands-on, practical experience, and prepares students for a successful transition into their careers.
