**Brock University** is located in the heart of the Niagara Peninsula, home to natural beauty, amazing history, and world-famous attractions.

Students are encouraged to engage both sides of their brain as they explore their passions both in and out of the classroom. Brock offers an amazing student experience with numerous opportunities to get involved on campus and in their community. Brock is in the top 5 Ontario universities for the prestigious 3M Teaching Excellence Awards, and home to leading researchers, scholars, and Canada Research Chairs who are engaged and accessible to their students.

Brock aims to provide students with the very best programs, modern facilities, and student-centred spaces. They provide students with an outstanding education as well as the experience they need to succeed after graduation. With one of the largest co-op programs in Canada and a range of experiential and creative learning opportunities, students graduate prepared to be a leader in their community and in their career.

**Why Brock University?** Students studying at Brock University have the opportunity to explore and enjoy wine country, arts, sports, recreational trails, festivals, and more. Brock is located only an hour from Toronto and just across the border from Buffalo, USA.

Brock prepares students for their career offering **20+ undergraduate co-op programs** to provide students with hands-on experience during their studies.

Brock leads to students to success with over 90% of their undergraduate students are employed within six months of graduation. Brock is diverse and globally-minded with an **international student** community of **90+ countries** represented on campus.
