**Okanagan College** is a public post-secondary institution in British Columbia with four main campuses in Kelowna, Penticton, Salmon Arm and Vernon. The college is the second-largest trades training institution in B.C. They offer a diverse range of degree, diploma, and certificate programs, as well as a variety of university transfer and continuing studies courses.

All of their campuses are home to a full spectrum of programs in arts, health and science, business, technologies, and vocational. The vibrant and modern campuses offer extensive student services, athletics, and recreational activities and facilities. Okanagan College provides students with a welcoming, culturally diverse, and cutting-edge place to learn.

Okanagan College is one of the largest colleges in BC, serving more than 20,500 students each year. Diversity is at the forefront of focus on campus, with approximately 20% of students international in origin, and over 1,500 aboriginal students.

**Why Okanagan College?** The colleges campuses are environmentally sustainable and provide students with leading-edge technology and resources.

Class sizes are kept small with the average size being about 19 students per class. Co-op work options are made available to students to help them gain real-world experience while learning important communication and networking skills. 94% of Baccalaureate students are employed within one year of graduation.

Students choosing Okanagan College will live in a quiet place that is clean and safe. Students will be surrounded by beautiful mountains, lakes, orchards, and vineyards. They are encouraged to get involved with recreational activities such as skiing, snowboarding, golfing, swimming, boating, camping, canoeing, sailing, hiking, horseback riding, cycling, and other recreational opportunities.
