Brescia University College is the university college of choice for women motivated by academic excellence, opportunity for service, and leadership. As **Canada's only women's university**, Brescia offers an exceptional learning environment where women are accepted and valued. Graduates are women leaders who contribute actively and positively to society.

Brescia is affiliated with Western University, the third-largest university in Ontario. Students will benefit from the small, supportive atmosphere of Brescia while enjoying the resources that Western University has to offer.

Focused on academic excellence, Brescia creates an actively engaged student experience, educating women to think critically, and to participate actively in society. A Catholic university college in the Ursuline tradition, studies prepare graduates to lead with wisdom, justice, and compassion in a changing world.

Why Brescia University College? At Brescia, students will have endless opportunities to enhance their leadership skills and experience exceptional education that is tailored to them and the way they learn best. Students will have the opportunity to learn from compassionate professors who will mentor and empower them.

Being a women's only university, Brescia uses effective and innovative approaches to education that encourages and supports learning. This approach enables students to develop their voices, confidence, and leadership skills.

International students make up **11%** of the student body at Brescia. Students will get the opportunity to live in London, Ontario which is known as the "Forest City." It's Canada's 11th largest city and is less than 2-hours away from Canada's largest city, Toronto. **89%** of students who graduate from Brescia are **working** within **six months**.
