**St. Clair College** embraces the very best in a college education. Excellence in teaching, applied learning in their state-of-the-art labs, numerous student support services, and an amazing campus life experience. St. Clair provides all of this and more for **10,000 full-time students**. St. Clair offers three unique campuses with over **120 program options** including advanced diplomas, diplomas, degrees, and graduate certificates focused in Health, Technology & Trades, Business & IT, Media Arts, and Social Services.

The Windsor Campus is the main campus that offers programs in Community Services, Engineering Technology, Skilled Trades, and Business and Information Technology to approximately 8,000 full-time students. The campus provides excellent amenities including their 80,000 sq. ft. SportsPlex where students can workout for free! This complex includes a 10,000 sq. ft. fitness centre, triple gym, elevated walking track, and more!

**Why St. Clair College?** St. Clair College is located in the most southerly part of Canada. The campuses align to the same latitude as Northern California, Madrid, Spain, and Rome, Italy. No matter which campus students choose at St. Clair College, they can be confident their stay there will be pleasant and secure. St. Clair College has high provincial ratings with an employer satisfaction rating of **88.7%** and **84% graduate employment rate**.

St. Clair College has an **international population of 1,100 students**. Their campuses are along an international border with access to Detroit, Michigan just across the bridge to the USA. This provides students with immediate access to all major league sports, shopping, and nightlife.
