Yorkville University is a Canadian private university that delivers leading practitioner-oriented degrees on campus in **Vancouver** and **Toronto**. Yorkville is now offering online course delivery to help students pursue quality education online until they are allowed to enter into Canada. Programs are led by industry-experienced faculty members who are recognized professionals and hold advanced degrees in their fields of expertise.

Yorkville University offer adult learners the flexibility needed to complete a degree while balancing other commitments by providing a supportive, highly collaborative, and interactive learning community. They aim to provide accessible programs to every student, Yorkville University offers courses in a traditional face-to-face format, fully online, and in a blended delivery model.

The Bachelor of Business Administration and Bachelor of Interior Design degrees prepare students to be job-ready with the professional skills and knowledge to launch their careers with confidence, and contribute to the betterment of society.

Why Yorkville University? Degree programs provide training and credentials that allow graduates to advance rewarding professional careers. Yorkville University is a popular option for international students, with more than **1,500 international students** studying on the campuses.

Yorkville University offers an **ESL Pathway Program** that enables international students with less than the minimum required IELTS scores to be accepted to their desired program. The program offers three levels of study with content focused on improving students English language skills. International students taking a ESL Pathway have the ability to, smoothly transition into a new environment before starting their program.

Yorkville University graduates are eligible for the postgraduate work permit (PGWP). Students pursuing online study options will also still be eligible for a PGWP. This allows students who have graduated to gain Canadian work experience. Students must be a graduate from Yorkville University, studying for a minimum of 8 months.
