CAREER

International students in legal F-1 status can work up to 20 hours or less per week on campus during the fall and spring semesters in jobs that are considered 'student worker' positions.

Students are eligible for 1 to 3 years of work eligibility after graduation on Optional Practical Training (OPT).

Students are eligible for paid internships during their studies. This is referred to as Curricular Practical Training (CPT)

Tech degrees give grads the highest early career salary potential of all public universities in Tennessee. PayScale

Employers of Tech grads include:
Bridgestone/Firestone | Honda | Eastman Chemical Corporation
Nissan | SAIC | CIA | TBI | Deloitte | HCA Healthcare
