**University of the Fraser Valley (UVF)** is located in the beautiful Fraser Valley just east of **Vancouver, British Columbia**. UVF is a fully accredited, public university that enrolls approximately **15,000 students per year**.

UVF offers a variety of programs and provides students with small class sizes which allows them to get to know their instructors and learn in a hands-on environment. There are more than 100 programs for students to choose from including two master's degrees, 19 bachelor's degrees, majors, minors, and extended minors. Programs are offered in more than 30 subject areas and 12 trades and technology programs.

UVF focuses on applied research offering many opportunities for student researchers. Their thriving international programming makes for a culturally diverse student community and great opportunities to study abroad. Their continuing studies and academic upgrading offerings make learning a lifelong experience. Many clubs, events, and activities enhance student life on campus and their award-winning Cascades athletics teams are highly competitive.

**Why University of Fraser Valley?** UVF's vision is to provide the best undergraduate education in Canada and to be a leader of the social, cultural, economic, and environmentally-responsible development. UVF measures its success by the successes of its graduates and the successful development of the communities they serve. In achieving its goals, UVF has committed to being innovative, entrepreneurial, and accountable.

UVF views education as an ongoing process essential for both career progress and actualizing human potential. They make the university accessible to students with diverse backgrounds and goals, while rewarding academic success and maintaining high standards. Home to **2,289 international students**, coming from more than **86 countries**. They value and treat students as mature individuals, and encourage intellectual, cultural, creative, ethical, and social development. They prepare graduates for their roles as productive citizens of an increasingly complex and pluralistic society.
