Vancouver Island University (VIU) is known as a centre of excellence for teaching, applied research, and learning. VIU is a public post-secondary institution, producing quality graduates that are in demand by employers across the country and around the world.

VIU is a dynamic, internationally known university that supports a student population of **15,000 full-time and part-time learners**, including over **3,300 international students**. Through their ongoing evolution and growth, VIU is proud to have contributed to the development of the Vancouver Island culture, social, economic, and knowledge base.

VIU is an organization that values a diverse range of training and education. The university provides an enriched and intellectually stimulating environment for students and employees. Offering programs from basic literacy to vocational programs, trades, undergraduate, and graduate degrees. VIU encourages all students to explore their potential, discover more about their world, and excel in both life and learning.

Why Vancouver Island University?

Vancouver Island University is a dynamic and diverse educational organization, dedicated to excellence in teaching, learning, service, and research. VIU fosters student success, strong community connections, and international collaboration by providing access to a wide range of university programs designed for their students.

VIU provides excellent facilities and small classes taught by experienced and highly-qualified instructors. International students will also have access to academic advising, personal counselling, and support services.

VIU operates four campuses including the main campus in Nanaimo and regional campuses in Duncan, Powell River, and Parksville-Qualicum. VIU is also the proud owner of Milner Gardens and Woodlands in Qualicum Beach, recently named one of the top 10 public gardens in Canada.
