DISCOVER ENDLESS OPPORTUNITIES

A Mason education prepares you for a meaningful career in a global society. You will learn from successful individuals who have put their stamp on the world and will inspire you to do the same. Studying in the nation's capital also has its benefits. You will sit in class with policy makers, just minutes away from government branches making today's biggest decisions. Washington, DC-based media, politics, business and technology pave the way for new approaches and products. Northern Virginia is also the future home to Amazon's second headquarters, which is expected to create more than 25,000 jobs for highly skilled graduates.
