About us

Established in 1973, EU Business School (EU) is an international, high-ranking business school that offers foundation, bachelor's, master's and MBA programs. We provide small, dynamic classes in English, with the best of both North American and European academic curricula.

Our high-caliber faculty of academics, entrepreneurs,

consultants and business leaders combine the academic and professional to support a unique and exceptional quality of learning.

Blending traditional teaching methods with company visits, guest speaker sessions and study tours, our experiential approach to learning, provides students with the knowledge and tools to thrive in today's rapidly evolving

business world. Our master's programs are the perfect choice for students who want an international, flexible and personalized business education.

We invite you to read through the information provided here, and contact our admissions staff at admission.gva@euruni.edu with any questions you might have.

Geneva: the Center of Diplomacy and Finance

Geneva is a leading financial center and home to the highest number of international organizations in the world, some of which include the United Nations, the World Trade Organization, the World Health Organization and the Red Cross. An ideal global destination for international conferences and negotiations, Geneva is the location of over 200 diplomatic missions and 119 financial institutions.

Nestled between the Jura mountains to the west and the French Alps to the east and situated on the bank of Western Europe's largest lake, Geneva is easily one of the most picturesque cities in Europe. With its central location and numerous international organizations, it is no wonder that a city of 200,000 inhabitants is the diplomatic center of the world.

TOP REASONS TO STUDY AT EU

International:

Our student body is comprised of more than 100 nationalities, with 98% of students speaking two or more languages.

All classes taught

in English: Including assignments, lectures, exams and the final business plan.

Outstanding

faculty: Our team is composed of highly qualified academics, entrepreneurs, consultants and business leaders.

Building a business

personality: We are committed to encouraging students to build the most valuable brand they can market: themselves.

Small class sizes:

Greater interaction between students and faculty guarantees heightened academic achievement.

Experiential learning:

The case study method and a pragmatic approach are two of our most effective tools.

Ranked among the

best: Programs within our network are consistently featured in the top tier of global and European rankings.

Montreux: the Gateway to the Alps

Set against the backdrop of the snow-covered Swiss Alps and nestled on the shores of Lake Geneva, Montreux is known as the "Pearl of the Swiss Riviera". Famed for its beautiful surroundings and spellbinding views, the city also has plenty to offer by way of culture, sport and business.

The city is best known for the legendary Montreux Jazz Festival, which began in 1967. Each year, thousands of visitors descend upon this charming Swiss enclave to enjoy an eclectic mix of musical acts from a variety of genres.

With a dynamic mix of multilinguals and a large student population, you will quickly feel part of Montreux's close-knit community. The city is an ideal size with everything you need just a pleasant walk away.

Master's Programs

On both our Geneva and Montreux campuses, the master's programs are three-term, one-year full-time programs (60 ECTS). Starting in October, January and March, they are designed to prepare students for a specialized area of business while providing a balanced understanding of fundamental concepts.

As a master's student at EU Business School, you will develop your business personality and hone your management skills through lectures, company visits, guest speaker sessions, seminars, individual assignments, group projects and business simulations. You will discuss topics integral to modern business and develop an innovative mindset in preparation to shape the future. You will complete a final business plan, a multifaceted assignment that is a culmination of your study experience.

With the completion of one of the seven master's programs offered at EU, you will earn both a state-recognized, university master's degree (*titulo propio*) accredited by Universidad Católica de Murcia (UCAM), Spain, and an EU Business School Switzerland private and internationally accredited master's degree.

Master in Management

Students completing this master's pursue careers in:

- Corporate leadership
- Division/Business unit management
- Strategic management
- Strategic planning

Rapid political, economic, social and technological changes are taking place across the world. In order to cope with and actively shape these complex changes, new forms of leadership are required. This program explores the realities of being an authentic leader in the 21st century, from making strategic decisions, managing people and performance and negotiating effectively, to operational and marketing management. Focusing on the development of critical thinking and executive skills, this master's will give you the tools to be an effective leader and to adapt to future changes in business.

A sample of the program courses:

- _____ International Business Management
- _____ Innovation Management
- _____ Entrepreneurship

Master in Marketing

Students completing this master's pursue careers in:

- Marketing management
- Brand management
- Marketing research
- Digital marketing

Markets are ever-changing, with increasingly sophisticated consumers. Now more than ever, companies require innovative, qualified marketing experts to implement creative changes. From effective use of social media marketing to understanding your target audience, this program explores modern marketing methods and theories from various perspectives, giving you an insight into how marketing decisions relate to the analytical, strategic and operational areas of a business.

A sample of the program courses:

- _____ Strategic Marketing
- _____ Marketing Communications
- _____ Digital Marketing

Master in Finance

Students completing this master's pursue careers in:

- Asset management
- Financial analysis
- Investment banking
- Fintech

New financial paradigms are emerging. With shifts in regulations and ethical thinking, the ability to understand and decipher the ever-growing complexity of the world of finance is a quality that is more important than ever before. As an applied branch of economics, this program explores challenging technical theory and a wide range of topics, including asset pricing, portfolio management, derivative securities and blockchain fundamentals. From its foundations to the future of finance, you will gain a balanced understanding of one of the most crucial aspects of business.

A sample of the program courses:

- _____ Portfolio Management
- _____ Risk Management in Financial Markets
- _____ Fundamentals of Blockchain Technologies

Master in Tourism & Hospitality Management

Students completing this master's pursue careers in:

- Hospitality management
- Event management
- Conference management
- Digital tourism

An increasingly globalized world has led tourism to become the fastest growing industry in business today. Modern companies want academically qualified, visionary leaders to create new business models and understand changes in technology and consumer trends. Focusing on the development of executive skills and strategic aptitudes, this program explores the theories, practices and frameworks that make up the tourism and hospitality fields, while developing understanding of international and intercultural management needs.

A sample of the program courses:
