## School Overview

Leeds Beckett University is a modern professional university with ambition. They are located in the vibrant city of Leeds, which has the largest financial district outside of London. Their vision is to be acknowledged for their commitment to student success, innovation and enterprise, global reach, and strong local impact.

Leeds Beckett has approximately 2,900 staff and more than 28,000 students from 143 countries around the world. The school has a 190-year history in education, which began with the founding of the Leeds Mechanics Institute in 1824. Degree courses at Leeds Beckett University are taught by expert academics who have close links with industry to ensure that graduates are skilled with, knowledge, professional accreditation, and experience that is relevant to their future career.

## Scholarships and Bursaries\*

### International Student Scholarship

Leeds Beckett values the diversity that international students bring to campus and are delighted to offer the following scholarships to all eligible students:

**International Foundation Year** - £1,500

**Undergraduate Courses** - £1,000 per year

**Postgraduate Courses** - £3,000

**Research Courses** - £1,500

To be eligible for the scholarship discount students must:

- Be assessed as having an 'Overseas/Non-EU' residency status
- Be assessed to pay the overseas fee, studying the relevant course full time, and actively enrolled on an eligible course
- Be a self-funded student who is paying the full course fee for that year (those students who have their tuition fees paid by a third-party sponsor, employer or government agency will not be eligible)
- Studying that level of the course for the first time (i.e. not repeating any level during that year)

\*Disclaimer: International student fees, international scholarships, and IELTS scores are subject to change and may vary by course. Please visit the ApplyBoard website for the most up-to-date information
