

A photograph of a library setting. In the foreground, a young man and woman are sitting on a green sofa, smiling and talking. The man is wearing a grey and white striped sweater, and the woman is wearing a blue sweater with a red scarf. In the background, two other students are looking at books. Bookshelves filled with books are visible, along with a sign on the wall that reads "General Collection" and "330 - 338.85".

OUR STUDENTS ARE SUCCESSFUL

Our tracking studies show that our English language students are successful! Students from our pathway programs progressing to the first year of an ACU undergraduate degree do as well or better than local students in the same year. Many of our former students now have jobs they love in careers they dreamed of.

OUR CENTRES ARE ON CAMPUS

All our centres are located on ACU campuses (Brisbane, Melbourne and North Sydney), so you'll have complete and immediate access to ACU facilities and be an ACU student from day one. These include study resources like online learning systems, libraries, free wifi and internet, as well student services such as clubs and societies, campus events, health and counselling, and pastoral care.

OUR TEACHERS ARE COMMITTED

Our skilled and committed teachers have extensive experience teaching English and preparing students for further study, so they know how to help you achieve your learning goals. They are able to provide a personalised teaching experience, with lots of opportunities for one-on-one engagement.

OUR PROGRAMS ARE QUALITY-ASSURED

We work hard to deliver high-quality courses: courses are reviewed annually based on feedback from students, teachers and the changing needs of academic and professional organisations. Our courses are accredited by the Australian Government's Tertiary Education Quality Standards Agency (TEQSA) and quality assured by NEAS. We belong to the peak professional bodies English Australia and University English Centres Australia (UECA).

OUR COURSES MEET YOUR NEEDS

We listen to what our students say and we look carefully at your progress throughout your course. Your academic manager will provide advice if you need to improve your skills. But studying at ACU is more than just attending classes. You will have opportunities to interact, make friends and practise your English with local students. You can join student clubs and enjoy excursions to places of interest.

Enjoy a full university experience! On campus at ACU!
