

STAND OUT FROM THE CROWD

2020 INTERNATIONAL GUIDE

There are a lot of universities in the world, and it is your time to decide which one is right for you to achieve your ambitions, both as an individual and as a professional.

Do you want to follow the crowd and be the same as everyone else?

Or do you want to stand out. Be your own person. Ready to take the lead and make a real difference in the world?

At Bond University, we believe that this is not just about having a degree: it's about having an international outlook, global connections, the independence and people skills that come from moving outside your comfort zone and experiencing other cultures.

Australia is one of the world's safest destinations for international students and Bond's home town - the Gold Coast - welcomes 32,000 overseas students each year from more than 130 countries.

Bond University is uniquely designed to support these students through every aspect of their overseas study experience. With less than 5,000 students on campus and one of the lowest student:teacher ratios in Australia, we offer a highly personalised learning environment of small classes and face-to-face teaching where our lecturers know their students by name and our students all know each other.

We have a dedicated International Student Support Team offering guidance, counselling and connections with academic tutors, English language programs, mentoring and buddy / friendship programs. We also have an active student association that organises events, on-campus clubs, sporting teams and social nights.

I can guarantee that you won't get lost in the crowd at Bond. Yes - you'll have to work hard and study hard, but you'll also meet lots of new people, build a worldwide network of friends and business contacts, and learn so much more about yourself and what you are capable of.

We look forward to welcoming you to Bond University and sharing 'our' Australia with you as part of a study experience that will quite literally change your life.

AUSTRALIA'S FIRST PRIVATE, NOT-FOR-PROFIT UNIVERSITY

On 23 April, 1987, Bond University was given its University status by an Act of the State of Queensland's Parliament.

Modelled on the traditions of the world's best educational institutions to provide an educational experience of the highest international standards, the University continues to be recognised both in Australia and internationally as a leading not-for-profit university, where 100% of tuition fees are reinvested in ensuring our students have access to world-class facilities and learning resources, and learn under the guidance of expert academics.

Bond University is recognised as an accredited Australian university by the Tertiary Education Quality and Standards Agency (TEQSA). Bond's programs for international students are registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

STUDYING AT BOND

Graduate sooner. Achieve your goals faster.

ACCELERATED PROGRAMS

Bond's teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

MORE INTENSIVE, PERSONALISED CLASSES

There is a big difference between being one of 25 students in a class and a face in a crowd of up to 500.

Bond's student: teacher ratio is one of the lowest in the country and our lecturers' doors are always open. This means you'll get more personalised, hands-on advice and support with your studies.

MINIMUM STUDY TIMES AT BOND VS OTHER UNIVERSITIES*

*Timings can vary based on study load.

BOND'S UNIQUE CORE CURRICULUM FOR UNDERGRADUATE STUDENTS

At Bond University, we recognise that people have many careers throughout their lives where they require the soft skills to problem solve and apply their education to a variety of occupations. As a result, in every undergraduate degree (including our Higher Education Diplomas), we have embedded our three Bond Core subjects plus our professional development and community engagement program, Beyond Bond.

This Core Curriculum teaches skills that are highly valued in contemporary organisations and will be essential to your personal and professional life in any current or future profession, regardless of discipline.

Bond's Core subjects are:

- Critical Thinking and Communication
- Leadership and Team Dynamics
- Ethical Thought and Action

BEYOND BOND

Beyond Bond ensures every undergraduate student develops key employability and interpersonal skills through your choice of internships, volunteering, participation in global competitions and a broad range of extracurricular professional activities - all available from your first semester.

Administered by the Career Development Centre, this free program is personalised and tailored to your specific interests and career goals, presenting a life-learning experience like no other.

Beyond Bond is a core requirement of all Bond's undergraduate degrees, forging the vital link between our students and key contacts in their chosen professions.

HELENE NORMAN

Bachelor of Business Law
Sweden

"Studying overseas was a challenging step for me to take. However, the amount of support I have received, not only from the teachers and professors, but also from other services that Bond University offers is outstanding.

With the multiple opportunities Bond provides to gain valuable work experience including Beyond Bond, I am confident that I will achieve my future career goals.

This, in combination with a beautiful campus, professional educators and amazing peers, has made Bond University the ideal place for me to start my professional journey."

ENTREPRENEURSHIP AND INNOVATION

The future will demand a totally new way of thinking: The old 9-to-5 employment model is already breaking down; technology has decentralised the workplace; small ideas have the potential to spark big businesses.

ENTREPRENEURSHIP AND INNOVATION

At Bond, we've engineered our programs to focus on developing adaptive, tech-savvy and future-focused graduates with a strong entrepreneurial streak.

You can major in Entrepreneurship and Innovation, create your own business enterprise, and bring entrepreneurial attitudes to any field you choose to study.

We'll introduce you to industry leaders, CEOs, venture capitalists and start-up innovators.

And you'll have the chance to develop, pitch and create your own concepts through internal and international initiatives like Bond Business Accelerator, Transformer, Gold Coast Demo Day, The World's Challenge Challenge and Pitch@Palace.

TRANSFORMER PROGRAM

This free co-curricular program brings students together from all Faculties and disciplines to collaborate on a project of their own choosing or contribute to one of the many other ongoing projects. Whether you're interested in social welfare, environmental issues, community health or developing new technologies, Transformer will show you how to apply entrepreneurial thinking to creative problem solving.

Working in teams of students who each bring different knowledge, perspectives and ideas, you'll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24/7 co-working space.

Bond University Alumna and Pitch@Palace Finalist, Alisha Geary pitches her luxury activewear business, Faebella, to His Royal Highness, the Duke of York, Prince Andrew and an audience of high profile investors, entrepreneurs, influencers and business leaders.

LEARN BY DOING

You can't learn everything you need to know about life from a textbook. That's why a large part of your time at Bond involves putting theory into practice and building life experience.

LEARN FROM INDUSTRY LEADERS

Our academics don't just teach. They consult to major companies, liaise with global governments, present at international conferences and work on ground-breaking research. You'll learn from their real-life case studies and the industry leaders they bring to campus as guest lecturers and mentors.

EXPERIENCE THE REAL WORLD

At Bond University, we break down the barriers between the classroom and the real world, giving our students access to practical experience, current workplace knowledge and industry contacts through internships, clinical placements, study tours, projects, global competitions and more.

- Our Business students learn from entrepreneurs and start-ups in Silicon Valley;
- Our Law students argue mooted cases in Hong Kong, Beijing, Canada and Queensland's own Supreme Court;
- Our Sports Science students work with elite athletes and professional teams from all over the world; and
- Our interns travel to amazing global cities such as Washington DC, Paris, London and New York.

GET READY FOR THE WORKFORCE

As a small university, our Career Development Centre works with every student to arrange relevant internships, employer placements, work experience and industry projects - not just towards the end of your degree, but from day one.

INTERNATIONAL EXCHANGE

Bond has international exchange agreements with more than 80 leading universities worldwide. Expand your global horizons and increase your employment prospects by studying, living and working in another country.

TOOLS OF THE TRADE

From our film and television studios to the Macquarie Trading Room, we have the very latest tools and technologies all here on one campus. And our small, personalised classes mean that everyone gets the chance to use them.

- More Bloomberg terminal access than any other university in Australia;
- One of the largest film and television production facilities in South-East Queensland;
- Paperless e-courtrooms;
- High altitude sport and exercise training rooms;
- Digital fabrication labs;
- Clinical skills rooms; and
- 3D printers, robots, simulators and more.

START YOUR CAREER NOW - WORK WHILE YOU STUDY

Your Australian Student Visa allows you to work up to 40 hours per fortnight. Bond's Career Development Centre may be able to help you find part-time work in your chosen field or industry while you're studying at university.

STUDENT SUPPORT

Our team of experienced specialists are available on campus at any time to help you with everything from subject enrolment, tutoring and study support through to personal security and counselling.

ACADEMIC SUPPORT

Our academics and Faculty support staff know their students by name. Their open-door policy makes it easy to ask for help at any time.

ACADEMIC AND ENGLISH LANGUAGE SUPPORT

The Student Learning Support team offers personalised help, with free one-on-one consultation sessions that students can book up to once per week for help with assignments and workshops in academic writing, time management, oral presentations, exam preparation and much more. Please note that this service is provided to General English and English for Academic Purposes students already from their teachers.

IT / TECH SUPPORT

The IT Service Desk knows everything about our technology and computer systems, from Wi-Fi and mobile access through to audio-visual and conferencing equipment.

MENTORING

Our alumni and industry connections are ready, willing and available to provide personal guidance and valuable career advice.

CAREER PREPARATION

Connect with the Career Development Centre from day one to access free workshops and one-on-one careers guidance. Their qualified Employment Services Specialists will also facilitate your industry internships and placements.

24 / 7 SECURITY

Your safety is our number-one priority, and our Security team are available on campus 24 / 7. You can drop by their office or give them a call if you ever need assistance.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)

BUSA gives students a voice on campus by providing advocacy and support. It is also a vital information hub, connecting you to social networks, clubs, associations and co-curricular activities. For more information, visit busa.com.au

HEALTH AND WELLBEING

Our on-campus Medical Clinic is staffed full-time by a doctor and a nurse. We also offer free confidential counselling from our qualified psychologist and specialised support for students with a disability.

CULTURAL DIVERSITY

Bond University provides a caring, inclusive and respectful environment with support, social networks and clubs for students of different races, religions and cultural backgrounds, including LGBTIQ+ and First Nations students.

RESPECT. NOW. ALWAYS

Bond University and the Bond University Student Association (BUSA) are jointly committed to a healthy culture of respect and responsibility that provides for a safe and supportive campus for everyone.

DEDICATED INTERNATIONAL STUDENT SUPPORT

Bond has a strong contingent of international students, coming from over 90 countries. Our specialist International Student Team can help you manage any issues relating to Student Visas, Overseas Student Health Cover (OSHC), English language tutoring and personal counselling.

Get assistance with all your student needs at the Student Business Centre.

FRANCISCO BRIGNONE

Master of Sport Management
Argentina

"The highlight of my time at Bond so far has been the wide range of people I have met from countries all around the world and the exposure to different languages and cultures.

Also, the small class size allows better access to the lecturers to learn from their experience and the industry opportunities provide the chance to gain experience during our studies.

As a result of these opportunities, I recently completed an internship with the U20 Australia Rugby Team as part of the Oceania Championship which will help me to know how I want to progress my career in sports management."

A UNIQUE SENSE OF COMMUNITY AND BELONGING

Life as a student at Bond is a richly rewarding experience leading to genuine friendships and professional connections.

GLOBAL COHORT

Our campus is home to a truly diverse mix of students from all corners of the globe who will challenge and inspire you by opening your eyes to a world of new perspectives. They're highly motivated to succeed, they're actively engaged in campus life and they'll ensure you never feel lost or alone.

ORIENTATION

Bond offers a dedicated orientation session for all new international students to help you find out more about studying and living in Australia and meet other new students from around the world before classes start. Our experienced staff and current students will be on hand to provide important information about studying at Bond, what to expect in your first semester, student associations to be involved in, as well as answer any of your questions. You can also join campus tours and a wide variety of social activities to get to know the campus and local area.

CLUBS AND SOCIETIES

Bond University is renowned for its friendly vibe and active social life, which centres on the huge variety of campus clubs, societies and student events.

They range from academic societies such as the Journalism Students' Association and Law Students' Association through to community welfare, sporting, professional, political and special interest groups.

Our international students can connect with friends from home at on-campus cultural organisations such as the Pacific Islanders Student Association, the Chinese Students' Association, the Canadian Law Students' Association and more; while religious clubs support our Christian, Jewish and Muslim students (a prayer room is located on campus).

EVENTS ON CAMPUS

There's always something happening on campus, starting with our welcome 'Jingerrri' barbeque held each semester by the Student Society for Indigenous Awareness. There is also Wednesday by the Water - a weekly free barbeque lunch on the banks of Lake Orr.

Other groups hold film nights, fundraisers and social get-togethers, and, in honour of our diverse global cohort, various clubs organise special celebrations to coincide with international and multicultural festivals, including the Super Bowl, Canada Day, Chinese New Year and our Global Food Festival.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)

Student activities are organised under the umbrella of BUSA which also serves as the student representative body on academic and administrative issues.

All students pay a Student Activities Membership (SAM) fee each semester which covers the cost of their membership to all University clubs and societies, and access to all facilities and classes at the Bond University Sports Centre.

RELIGION

Australia is a multicultural society where you are free to practise your religion. Most of the world's religions are represented on the Gold Coast, and you will find many places of worship near campus. As a Bond student, you will be supported in your faith through a number of religious clubs and societies, as well as a multifaith prayer room. All food outlets on campus serve halal and vegetarian food options.

FOOD

Between our small classes and active social life, you'll know almost everyone on campus by the end of your first semester. And you'll find plenty of places to catch up with your new friends for coffee, lunch or a night out without having to leave the campus:

- Lakeside Bar and Restaurant - A collective dining experience with food from every corner of the globe
- Bond Express - Our on-campus convenience store, also serving snacks and beverages
- Papyrus Café - For hot and cold drinks, light meals and snacks
- Don's Tavern - Our fully licensed bar and social hub of the University
- University Club - Gourmet a la carte fine dining overlooking Lake Orr
- Coffee Cart at Palm Court - For a quick caffeine or sugar fix
- Kinetic Café - At the Bond Institute of Health & Sport
- Pulse Café - For hot and cold drinks, light meals and snacks

Just outside the campus, you will find even more options for eating and socialising at Varsity Lakes Market Square, which has coffee shops, restaurants, a pub and a supermarket.

SPORT AND FITNESS

Bond offers a variety of opportunities to get involved in sports. See page 17 for more information about our Sports Centre, sports facilities, sports clubs and more.

SPORT IS IN OUR DNA

Sport and education are entwined at Bond University. We have a proud sporting tradition and we provide opportunities for students to participate at a social, competitive or professional level.

BOND UNIVERSITY SPORTS CENTRE

The University's multi-million dollar Sports Centre incorporates a state-of-the-art gymnasium, TRX Suspension Training Studio, boxing circuit training room, Olympic-size swimming pool and a regular timetable of group exercise classes.

The campus also features extensive outdoor sporting facilities for cricket, tennis, rugby and AFL, as well as indoor basketball, netball, futsal, badminton, volleyball and squash courts.

SPORT CLUBS

Joining a sporting club is a great way to meet new friends and Bond has more than 20 to choose from.

Competing under the Bond Bull Sharks banner you'll have the opportunity to compete in the Australian University Games, the Northern University Games and the Australian University Championships.

HIGH PERFORMANCE SPORTS

Bond has key performance sports including swimming, rugby, rugby sevens, AFL, triathlon and netball, offering world-class coaching, facilities and partnerships to ensure we compete at the highest level both domestically and internationally.

ELITE SPORT PROGRAM

Bond University is a member of the Australian Sport Commission's Elite Athlete Friendly University (EAFU) Program, which provides flexible study loads and requirements for athletes at the very top of their sport. Athletes competing at a state, national or international level in their chosen sport are invited to apply to the Bond Elite Sport Program.

SPORTS RESEARCH

The Bond Institute of Health and Sport is a world-class teaching and training centre which regularly hosts international athletes and professional teams.

Specialist training and preparation facilities include the strength and conditioning gymnasium, lap pool and temperature contrast pools, the oxygen-reduced altitude training room and the sports science laboratories.

The Institute is also used extensively by students studying exercise and sports science, physiotherapy, occupational therapy, and nutrition and dietetics.

Bond University's Sports Centre, featuring a world-class gym, state-of-the-art Aquatic Centre, group exercise facilities, and more.

LIVING ON THE GOLD COAST

Australia's Gold Coast - it's one of the best places in the world to live and one of the best places in the world to study.

GETTING AROUND THE GOLD COAST

By train - A rail service operates from Robina or Varsity Lakes station close to Bond University, to the Brisbane CBD, Brisbane Airports and other Gold Coast destinations.

By bus - Regular bus services operate from in front of the University to the main shopping, residential and tourist areas on the Gold Coast.

Walking distance from campus - there are shops, a small supermarket, cafes, restaurants and facilities just outside the campus at Varsity Lakes.

GETTING TO BOND UNIVERSITY

From Gold Coast Airport - 30 minute drive

From Brisbane Airport - 1 hour drive

"My experience at Bond has been amazing. Being able to finish my combined degree up to a year ahead of the rest and the high quality teaching and learning environments have driven me to come to Bond.

The small classes here have allowed me to engage more with other students and have better relationships with my lecturers. The staff are incredibly kind and helpful which helped me to adjust into a whole new environment very quickly."

CAREER DEVELOPMENT

Whether you want to change the world, change your community or change your life, the journey to your future starts on campus at the Career Development Centre (CDC).

From your first weeks at University, our team of qualified Employment Services Specialists can help you develop your career goals or guide you through the career change process. They offer a range of workshops, seminars and networking functions, and will work with you one-on-one to identify career opportunities, write applications and resumes, make connections with key employers and recruitment agencies, and prepare for interviews.

You'll find job listings in 24 countries worldwide on the online careers and employment portal, which can put you in contact with graduate recruitment representatives in your field. They also host Bond's annual Job and Internship Fair.

The CDC also serves as the vital link between students and our industry partners to manage internships and placements that offer practical experience and potential career contacts with leading Australian and international employers.

Ongoing career support is available to all Bond students even after they graduate, providing you with life-long advice and guidance, as well as access to the online careers portal.

For more information about the CDC please visit bond.edu.au/cdc.

GLOBAL ALUMNI

As a Bond graduate, you will become a member of a worldwide alumni network, providing you with contacts, support and friendship wherever you may go.

On campus, you'll benefit from the global perspectives and experience they bring to the classrooms, discussions and group assignments. You'll also form lifelong friendships and empowering relationships with people from all over the world.

These connections are maintained and developed long after you graduate through Bond's active Alumni Association.

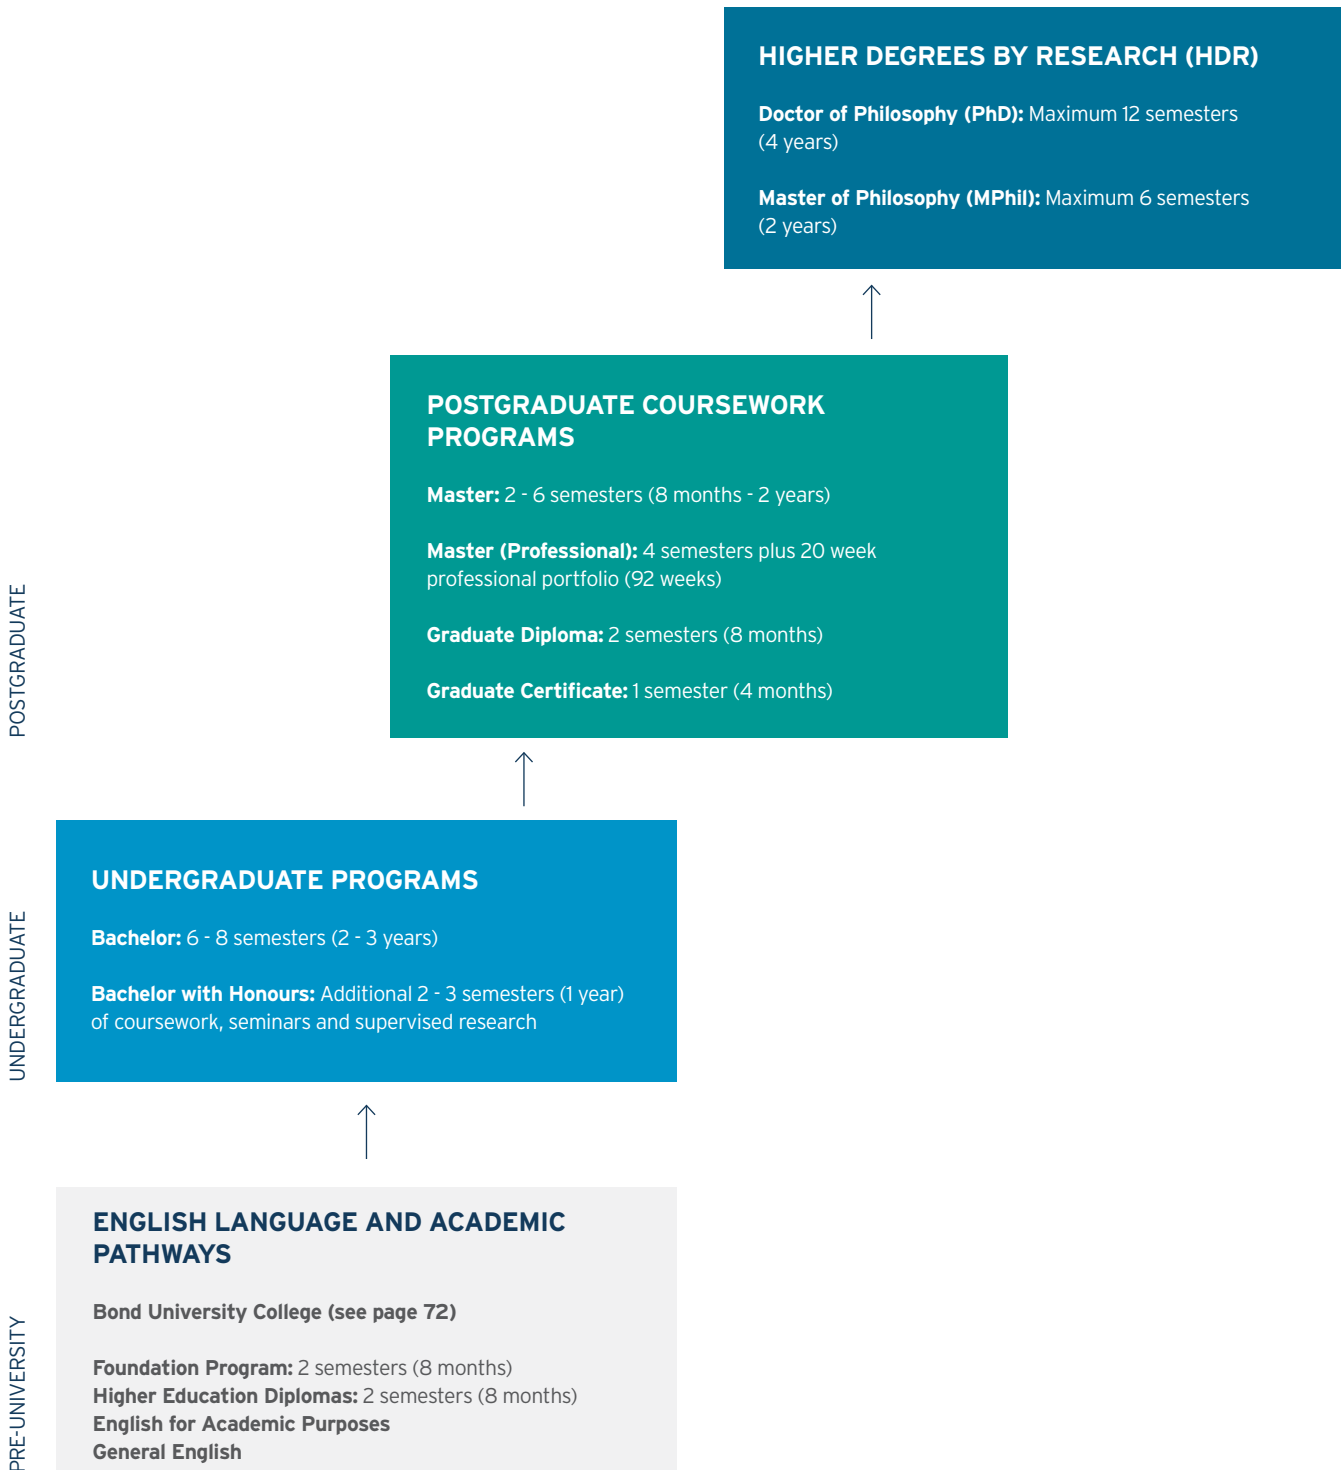

With more than 25,000 graduates now living and working in over 130 countries, you'll find Bond Alumni Committees active in every corner of the globe; willing to offer help, friendship and professional connections.

Our Alumni also play an active role in life on campus:

- Offering our students exclusive work experience opportunities, internships and clinical placements;
- Sharing their wealth of life and career experience as regular guest speakers and lecturers;
- Partnering with individual students through our Alumni Mentor Program; and
- Contributing to the University's Ambition Fund.

WHAT CAN I STUDY?

Bond University provides options for all levels of tertiary study - from English language and academic preparation programs through to bachelor, master and doctorate degrees.

YOUR OPTIONS EXPLAINED

UNDERGRADUATE PROGRAMS

BACHELOR DEGREE

Admission to a bachelor degree is usually based on high school academic results and English language criteria. See page 69 for country-specific entry requirements.

PATHWAY OPTIONS

If you don't meet the academic entry requirements for your chosen bachelor degree, you could study the Bond University College Foundation Program or a Higher Education Diploma at Bond University College as a pathway first. See page 72 for further details.

POSTGRADUATE PROGRAMS

Admission to postgraduate coursework degrees generally requires a bachelor degree from a recognised university, however in some cases, extensive career experience in a relevant industry may meet the entry criteria.

HIGHER DEGREES BY RESEARCH (HDR)

Admission to HDR programs generally requires a bachelor degree with Class I or Class II Honours, a postgraduate qualification incorporating a significant research component, or a record of significant research experience deemed to be of a comparable standard to a bachelor degree with Class I or Class II Honours. See page 65 for further details.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

Bond University has specific English language entry requirements for each of our programs. See page 66 for further details.

CREDIT TRANSFER

You may be able to transfer subject credits into your chosen Bond degree for previous tertiary studies in a relevant or related field. You can apply for a credit transfer using the Bond University application form by including certified copies of transcripts from your previous studies, detailed course outlines and subject descriptions. For more information, visit bond.edu.au/credit.

GRADUATE SOONER WITH OUR THREE SEMESTER SYSTEM

Bond's teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

STUDY SCHEDULE

International students must commit to a full-time study load as a requirement of their Australian Student Visa. A full-time study load is the equivalent of four subjects per semester or 40 credit points.

The John & Alison Kearney Main Library houses over 240,000 ebooks, 120,000 physical items and 75,000 electronic and print journals.

STEVEN STERN

Professor of Data Science
Custodian of the Duckworth-Lewis-Stern
(DLS) system

"I don't teach facts, I teach ideas. I'm not interested in my students regurgitating facts and theories about stats; I want them to understand the real reasons behind data analysis methods and understand how and when analytic techniques should, and more importantly shouldn't, be used. Data analysis is the skill of the future. If you know how to understand and analyse data, there is no industry or career in the world you can't be involved in somehow."

LISA BONIN

Assistant Professor

"As a former litigator with a leading national law firm in Canada, I really appreciate Bond's integrated practical skills curriculum. For our Canadian students, the focus on skills continues through into our Canadian courses and really prepares these students for their return to Canada.

We support our Canadian students in their transition back to Canada, providing information sessions and resources dedicated to the admissions process after graduation, as well as relevant work experience and clinical opportunities. Although we are half way around the world, our students can still feel connected to the Canadian legal system and profession."

The recently completed Stage 2 expansion of the Health Sciences & Medicine building

5 STAR RATINGS

In 2018, Bond's Health Sciences and Medicine was rated 5 Stars for Education Experience by the Good Universities Guide.

BOND VIRTUAL HOSPITAL

Replicating a hospital ward, the Bond Virtual Hospital is the first of its kind and offers clinical teaching sessions with simulated patients, allowing students to learn vital skills in a real life setting.

RESEARCH INTENSIVE

The Faculty houses the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education and Research Centre (a collaboration with Queensland Health).

CLINICAL SKILLS ROOMS

Bond University has state-of-the-art clinical skills rooms with purpose-built clinical facilities that reflect what is currently being used in clinical practice. They provide practical experience for students studying medicine, nutrition and dietetics, and physiotherapy programs. The largest clinical skills room is designed to simulate a hospital setting where students learn by computerised simulation, through patient actors and human patient simulators (fully interactive mannequins).

TEACHING AND RESEARCH LABORATORIES

Bond University has 13 teaching laboratories, including the multimedia labs with 25 computers per room. The laboratory facilities are well equipped for studying diverse areas of science, including pharmacology, physiology, chemistry, microbiology, molecular biology and genetics. Teaching labs are open and available to students 24 hours per day, even outside of class hours. The Faculty of Health Sciences & Medicine also houses research units such as the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education Research Centre - a collaboration with Queensland Health.

INTERNATIONAL CLINICAL PLACEMENTS

Bond University Medical, Physiotherapy, and Nutrition and Dietetics students get the opportunity to take overseas placements as part of their program in countries such as the Solomon Islands, Vietnam, Malaysia, Hong Kong, South Africa, India, USA, Sweden and New Zealand. The picture above is of our Solomon Islands medical experience.

BOND INSTITUTE OF HEALTH & SPORT

The Bond Institute of Health & Sport is located just 4km away from the main Bond University campus, and houses students studying in Occupational Therapy, Nutrition and Dietetics, Sport and Exercise Science, and Physiotherapy programs. The Institute boasts a high performance gym, health and sports science laboratories, pool and temperature contrast pools, altitude room, clinical skills rooms, and dedicated Occupational Therapy and Physiotherapy teaching spaces. Conference and meeting facilities, a multimedia study centre and on-site cafe are also in the building.

PATHWAYS TO BOND UNIVERSITY

If you do not meet the entry requirements for your chosen degree, Bond University offers a range of admission pathways to help you achieve the academic and English language requirements you need.

Our pathway programs are delivered on campus by Bond University College where you will benefit from extra hours of face-to-face teaching in a small class mentored environment.

Bond University College is located in the heart of the Bond University campus. You will have access to all of the University resources and facilities, and will be welcomed as a fully fledged member of the University community from the day you arrive.

English Pathways

GENERAL ENGLISH (GE)

CRICOS Course Code 065668G

Duration: 10 weeks per level

Starting: Every 10 weeks (See bond.edu.au/general-english for preferred starting dates. Option to start in week 6 available).

This program helps students achieve their English language proficiency goals in everyday communication through a wide range of contemporary topics and video materials. General English programs are available at six levels graded from beginner to advanced with each level lasting 10 weeks. Students that are unable to commence at the beginning of a 10-week cycle may commence halfway through at the 6-week point.

ENGLISH FOR ACADEMIC PURPOSES (EAP)

CRICOS Course Code 066082C

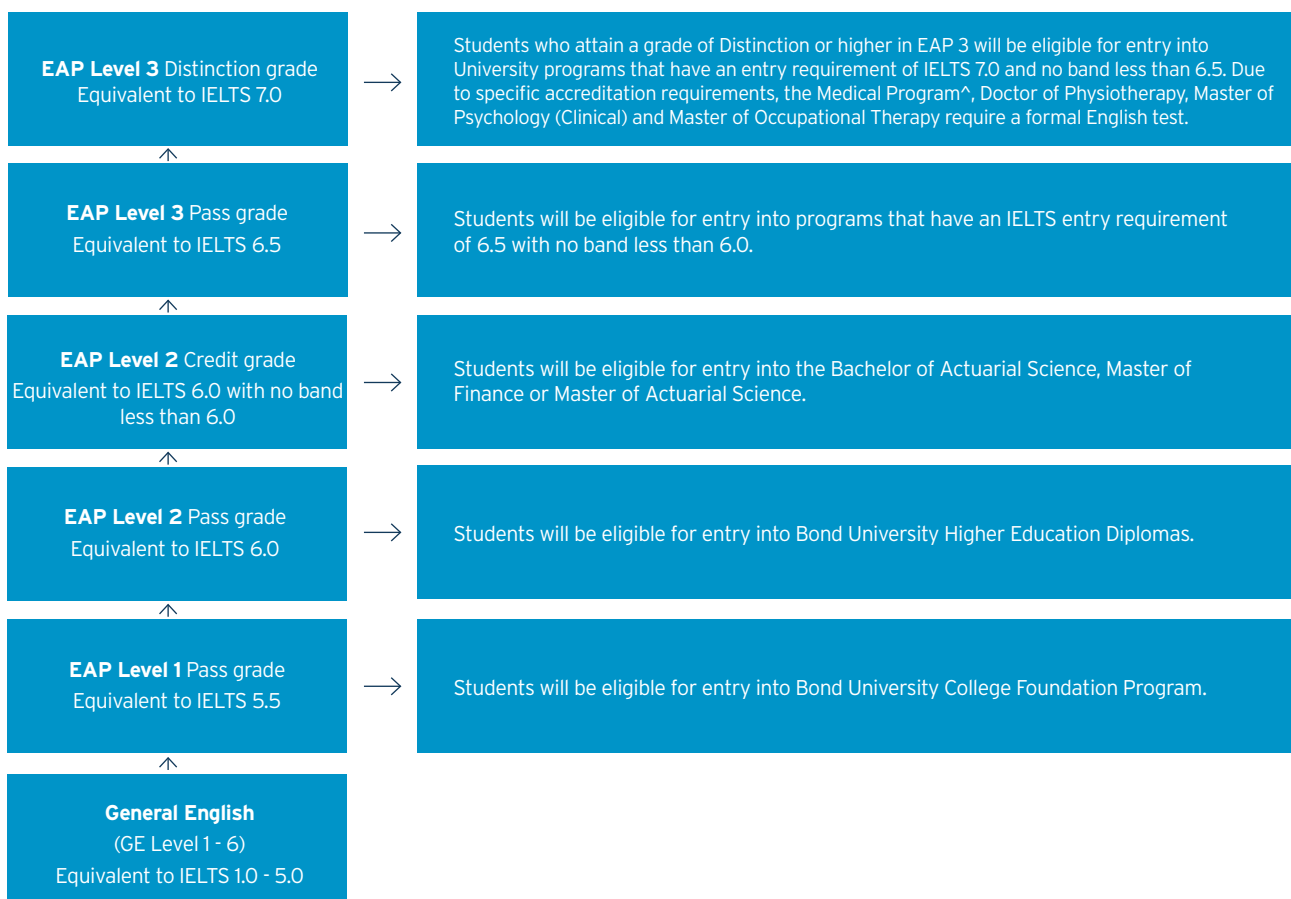

Duration: 14 weeks (1 semester) per level

Starting: January, May, September

Entry requirement: IELTS 5.0 or equivalent

Improve your academic English and study skills to meet the criteria for direct entry to selected programs. EAP is a full-time program incorporating three levels, with each level taking one semester (14 weeks) to complete. The College's three-semester-per-year schedule allows you to complete all three levels in one year. EAP can be combined with General English for students whose levels are below IELTS 5.0 before arrival and intend to continue their studies in an undergraduate or postgraduate degree.

ENGLISH PATHWAYS TO FURTHER STUDY

[^]The Medical Program is comprised of two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). Direct entry into the Bond Medical Program is currently not available to international students.

Academic pathways

FOUNDATION PROGRAM

CRICOS Course Code 063151G

Duration: 8 months (2 semesters)
Starting: January, May, September

The Bond University College Foundation Program has been specifically designed for international students as a pathway into first year undergraduate study. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers in small, personalised classes. Successfully passing the Foundation Program will allow entry into most undergraduate programs, however, entry into the Bachelor of Laws requires a GPA of 70% or higher. There is no direct pathway to the Bachelor of Actuarial Science from this program. Students may complete the Foundation Program and then pathway through a Diploma of Business or the Bachelor of Commerce.

Subjects for the Foundation Program include:

- Academic Skills
- Introduction to Entrepreneurship and Innovation
- Foundation Mathematics 1
- Introduction to Multimedia and IT
- World History and Politics
- Foundation English 1
- Foundation English 2

Plus one of the following:

- Society and Culture
- Introduction to Economics
- Foundation Mathematics 2^

Use the index below to explore your pathway to your chosen degree.

HOW TO APPLY TO BOND

1

SELECT YOUR PROGRAM

Deciding on a program is a personal choice. It's about choosing the right program for you - your interests, your future.

Find more information about programs offered at Bond by visiting:
bond.edu.au/search-program.

2

APPLICATION PROCESS

Applying to study at Bond is easy! Applications for most Bond programs can be lodged at any time directly to the University - or through an agents in your country. There is no application fee.

For more information on how to apply, visit:
bond.edu.au/apply.

3

REQUIRED DOCUMENTS

Make sure that you complete all required fields in your application form including uploading required documentation.

This documentation may include:

- Academic transcripts
- Academic references
- Passport
- Resume / CV
- Any other documents required for specific programs
- English language proficiency test
- Graduation diplomas

Visit the Application Tips page:
bond.edu.au/application-tips.

4

APPLICATION SUBMISSION

You can submit your application directly or via an agent. You or your agent will receive an email from Bond University to confirm your application was successfully submitted.

5

APPLICATION PROCESS TIME

The application review process will normally take two weeks provided all supporting documentation has been provided.

6

RECEIVE YOUR LETTER OF OFFER

If your application is successful, you or your agent will receive an email from us offering you to officially become a Bond student.

This email includes:

- A formal Letter of Offer from Bond University
- A Response to Offer form
- Information about fee payment options and accommodation

You may also want to consider applying for scholarships. Visit bond.edu.au/scholarships.

7

ACCEPT YOUR OFFER

You are two steps away from confirming your place at Bond. To accept your offer all you need to do is complete and return your Response to Offer form to admissions@bond.edu.au and pay the required fees as listed on your offer. If you applied via an agent, please get in touch with them to find out how you can accept and pay.

Once enrolment opens, you can create your IT account and choose your subjects.

8

ORIENTATION

Your first introduction to university life! Orientation is the perfect time to make new friends and find your way around campus. The Orientation experience features an exciting program of social activities where you can relax and meet people, and there are lots of information hotspots to help you get ready for university life.
