School Overview

If students are looking for the bustle of city life without the hustle, beautiful Kingston upon the Thames is the place for them. On the doorstep of the capital, Kingston is one of London's safest boroughs and offers all the highlights of the city in a leafy, riverside location. Kingston is just 10 miles from the centre of the capital. The university has roots going back over 100 years to the Kingston Technical Institute which opened in 1899. Kingston University takes great pride in the difference they make in the lives of their over 16,000 students and the wider community they serve. They are constantly striving to provide excellent services and continue to make a positive contribution to the economic, social, and cultural life of the borough.
