School Overview

The University of Greenwich is a modern educational establishment, offering students programs that prepare them for entering the workforce. The University of Greenwich has three campuses, two in London and one in Kent, England. All three campuses offer students modern programs and state-of-the-art facilities, within historic buildings. The University of Greenwich offers more than 1,200 undergraduate and postgraduate programs, including accounting and finance, chemistry, agriculture, computing, engineering, sociology, and more. Courses are built with employability in mind, preparing students with the skills required to meet the demands of the modern workplace.
