The Lincoln Experience

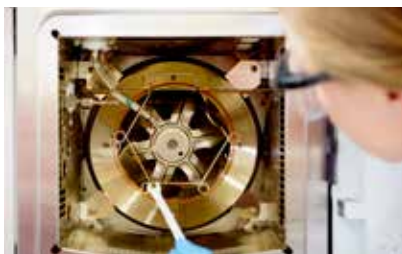

The University of Lincoln's graduation ceremonies take place in the historic setting of Lincoln Cathedral.

Top 20 UK University

The University of Lincoln
is **ranked 17th in the UK**.

The Guardian University Guide
2020.

Discover what sets the University of Lincoln apart from other universities and why ambitious students from more than 135 countries have chosen to study here.

Gold-rated University

The University of Lincoln was awarded Gold by the Teaching Excellence Framework (TEF) 2017. Developed by the Department for Education in England, the TEF assesses university quality, and has awarded the university a gold rating for delivering consistently outstanding teaching, learning and outcomes for its students.

Learn from Experts

At Lincoln, you will have the opportunity to learn from expert academics and be inspired by talks from guest speakers. Past speakers have included: Astronomer Royal Sir Martin Rees, ExoMars Rover engineer Abbie Huty, BBC presenter Chris Packham and former Poet Laureate Carol Ann Duffy.

Engage in Research

Lincoln is proud to be home to world-class researchers who are making significant contributions to their subject areas. More than half of Lincoln's research was rated as world-leading or internationally excellent in the latest Research Excellence Framework (2014).

Opportunities for Experience

Tuition at Lincoln aims to take learning beyond the classroom. You can benefit from hands-on opportunities that include real-world scenarios that enable you to generate new ideas and solve problems creatively.

Learn from Industry

Lincoln has relationships with industry-leading companies such as Siemens which opens up opportunities for mentoring and work placements. Networking and building relationships with these business connections can give you access to advice from professionals, insights into your career and the chance to keep up with future trends.

Discover Yourself

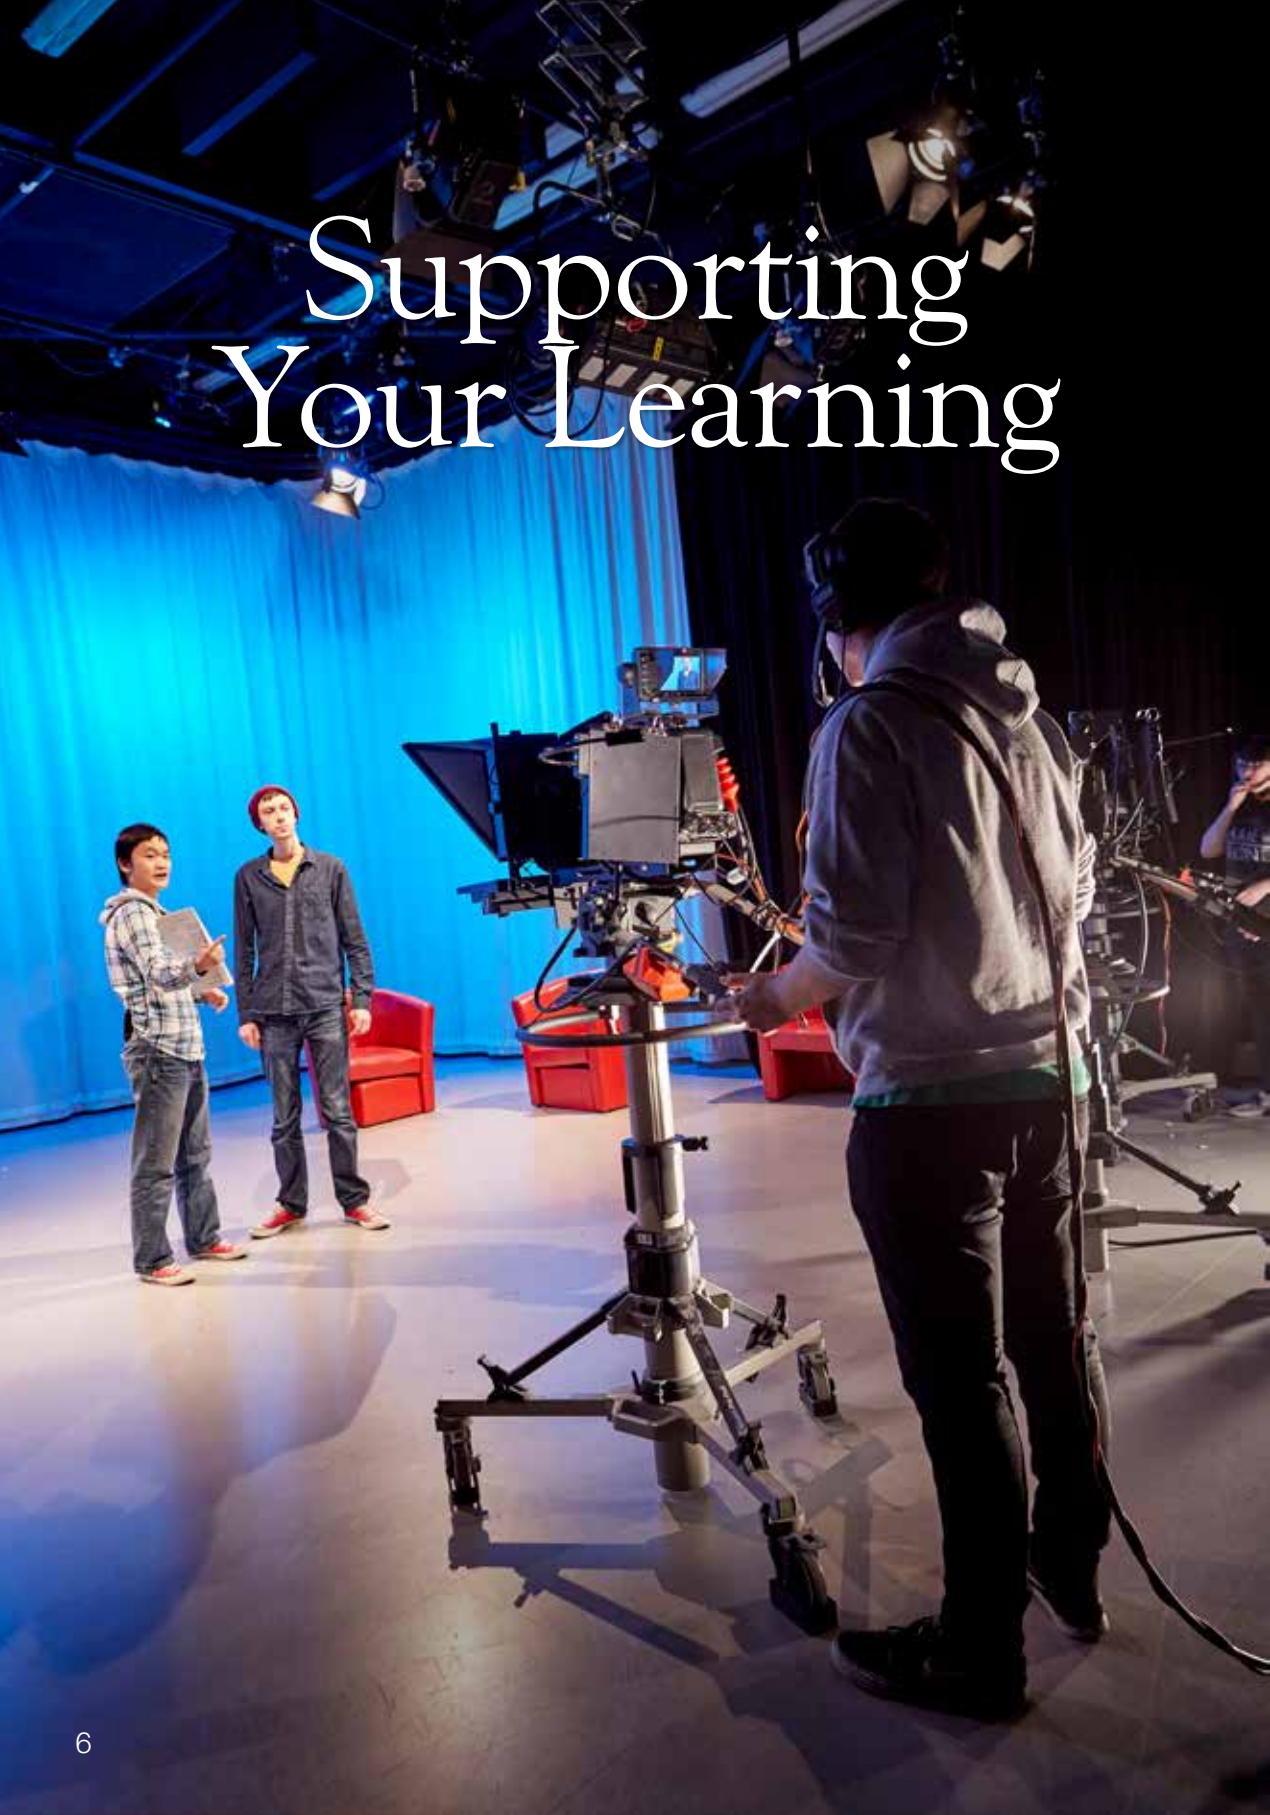

University is about more than gaining an academic qualification. At Lincoln, you can broaden your horizons by meeting people from around the world and enjoying everything the student lifestyle and the unique environment the city of Lincoln has to offer.

96% in employment

96% of Lincoln's **most recent graduates were in work or further study six months** after finishing their course with more than 80% in graduate level roles.

Destinations of Leavers
from Higher Education
Survey 2016/17.

Supporting Your Learning

The University of Lincoln's cutting-edge facilities provide the tools you need to achieve your career aspirations.

Graduate Success

Lincoln alumnus Chris Rankin is best known for playing Percy Weasley in the **Harry Potter** films. In 2008 he came to the University of Lincoln to study **Media Production**.

Specialist Facilities

Whichever course you choose to study, you have access to modern facilities that can help you get the most out of your degree. Students on media related degrees have access to editing and recording suites, industry-standard production facilities and modern studios, whilst engineering and computing students can learn in cutting-edge laboratories and workshops.

Engineering Hub and Isaac Newton Building

The £28 million Isaac Newton Building is home to Lincoln's Schools of Engineering, Computer Science, and Mathematics and Physics. It is the base for the University's growing strategic partnership with Siemens, representing a vibrant hub of academic teaching and learning, pioneering research, and collaboration with international industrial partners.

Great Central Warehouse Library

Lincoln's library is open 24/7 for most of the academic year. Resources include more than 250,000 printed books and over 400,000 electronic books and journals, as well as databases and specialist collections.

Investment

The University has invested around **£300 million** in its buildings and facilities over the past two decades.

Student Life in Lincoln

Easy Access

77% of students come onto the University of Lincoln campus on foot, one of the highest ratios of any university in the country.

Student Travel Survey 2016, as reported to HESA.

The University of Lincoln is based on the picturesque Brayford Pool marina, in the heart of Lincoln. A friendly community feel and vibrant city centre make Lincoln a great place to live and study.

Students' Union

Experience old England on Lincoln's cobbled streets

History and Heritage

Lincoln has a long and fascinating history. Lincoln Cathedral, one of the finest medieval landmarks in Europe, overlooks the city and the recently restored Lincoln Castle is home to one of only four surviving original copies of the Magna Carta, one of the world's most famous documents.

Arts and Culture

Lincoln has a rich and diverse arts scene, with art galleries and studios open to the public located across the city. You can also join in with a whole range of festivals held throughout the year, such as the Asylum Steampunk Festival and the Lincoln Book Festival.

Stage and Screen

You can enjoy a range of live comedy, dance, drama and music performances at the Lincoln Performing Arts Centre, located on campus. In Lincoln, you can watch the latest films at the Odeon cinema, while the New Theatre Royal and Lincoln Drill Hall host a range of theatre productions.

Going Out

Located on campus, The Engine Shed provides fun student club nights, live comedy and music events where you can see a range of artists performing on stage. If you want to sample the nightlife in Lincoln, there are numerous pubs, bars and music venues for you to explore.

Shopping and Food

Lincoln offers a great shopping experience with department stores, independent boutiques and specialist retailers in the cobbled streets of the Cathedral Quarter. There is also plenty of choice when eating out, with many restaurants serving Italian, Indian, Chinese, Thai and traditional English food.

Sports and Leisure

The University's Sports Centre is home to extensive fitness facilities, including five-a-side football pitches, squash courts and a well-equipped gym with showers and saunas. You can also get involved with more than 130 sports and societies on campus, including surfing, computing, futsal, film, comedy and more.

The Coast

The Lincolnshire coastline is home to some of the UK's best beaches. Visiting the coast is a great place to try new things and explore more of British culture. You can relax along sandy beaches, try kitesurfing or birdwatching and explore the seaside towns, such as Cleethorpes, Skegness and Mablethorpe.

Affordable

Lincoln is one of the **most affordable cities in the UK**.

The Times and The Sunday Times Good University Guide 2020.

Achieve

Turn your dreams into reality
at the International Study Centre

Xenon from Hong Kong

Studied International Year One in Engineering
Progressed to BEng (Hons) Mechanical Engineering

“I am building up my pathway step-by-step,
like building bricks to a roof. Find a goal, work for it,
achieve it and you feel success. It’s going to be
difficult, but I have faith in myself.”

Change Your World

at the International Study Centre

The University and International Study Centre are based on the picturesque Brayford Pool campus.

Great Location

The International Study Centre is based at the heart of the University of Lincoln's Brayford Pool campus, **close to everything the historic city of Lincoln has to offer.**

The International Study Centre is here to help you take the first step towards changing your world so that you can achieve success in your degree, career and life.

Brayford Pool

Modern facilities on campus

Our Courses

At the International Study Centre we teach the **International Foundation Year** and **International Year One** courses to help you prepare for studying an undergraduate degree at the University of Lincoln.

Skills for Career Success

To help you fulfil your career ambitions once you graduate, the International Study Centre offers a variety of CareerAhead activities, designed to give you a head start. These will help you to become a highly skilled, self-aware, confident and employable graduate.

You will develop key employability skills; such as teamwork, problem solving and communication - and familiarise yourself with the world of work. You will also assess your strengths and areas for improvement, which is invaluable knowledge to take forward with you into the workplace. With help from the tutors, you will create a personal development plan and set goals for your future success.

What Studying at Lincoln Can Offer

- A welcoming learning environment where you can study in small classes with students from around the world.
- Friendly teachers and staff can help you to settle into life in the UK and encourage you to grow in confidence, enabling you to seek new opportunities and enjoy your student experience.
- Students have the opportunity to take an active part in seminars, tutorials and lectures, to prepare you for the style of teaching and learning you will experience at the University.
- Expert tutors assess your work regularly and support you throughout the course to help you progress in your studies.
- You will have access to the University of Lincoln's modern facilities and student services, including the Sports Centre, Great Central Warehouse Library and the Students' Union.

Zillah from Taiwan

Studied International Foundation Year in Business and Media
Progressed to BA (Hons) International Tourism Management

“For me, the teachers are really good, they are really kind, feels good to have help from them. It's quite different with my home country because teachers here try to tell you how to think and let us think more and deeper.”

International Foundation Year

Prepare to study an undergraduate degree at the University of Lincoln.

[^] Should you not reach the grades required for progression to year two, there is an option to progress to year one.

Suada Revolledo
Student Experience
and Professional
Services Manager
International Study Centre

“We support our students throughout the course to help them progress in their studies. We offer academic and non-academic support by fostering a positive and safe environment, enabling students to achieve success in their degree, career and life.”

Support for You

The International Study Centre and the University provide a range of student support services to help make your time at Lincoln as successful and enjoyable as possible.

Support at the International Study Centre

If you have any issues you wish to discuss, or if you just need to talk to someone, student counsellors at the International Study Centre are available to help.

Advice at the University of Lincoln

- The Student Support Centre provides advice and information on topics such as visas, fees, accommodation and personal issues.

- The Student Wellbeing Centre offers confidential guidance on issues that may affect your study, including disabilities and medical conditions.
- The Health Centre provides healthcare and information for students, including appointments with doctors or nurses.
- The Careers and Employability Team can provide career information and support with CVs, job applications and interview techniques.

More Information

Visit lincoln.ac.uk/isc for more information about support services at the University and the International Study Centre.

Your New Home

Living with other students is a great way to experience a rich student life. As an International Study Centre student you have the option to choose the university-managed accommodation. You also have the option to arrange your own private accommodation.

The Gateway

International Study Centre students can live in modern, university-managed accommodation that is located in the heart of Lincoln, just a short walk away from the campus.

Benefits of university-managed accommodation include:

- Modern and comfortable studios with their own sleeping area, kitchen and bathroom.
- WiFi available in all studio apartments.

- On-site facilities, including a launderette and welcoming communal areas where you can relax, watch TV and catch up with your friends.
- Location close to shops, bars and restaurants in Lincoln city centre.

Privately Arranged Accommodation

If you wish to arrange your own accommodation, private rooms, flats and houses are available in the local area.

Central Location

The International Study Centre is situated at the heart of the University of Lincoln's campus, close to all the historic and dynamic city of Lincoln has to offer.

Transport Links

Travelling by train from Lincoln

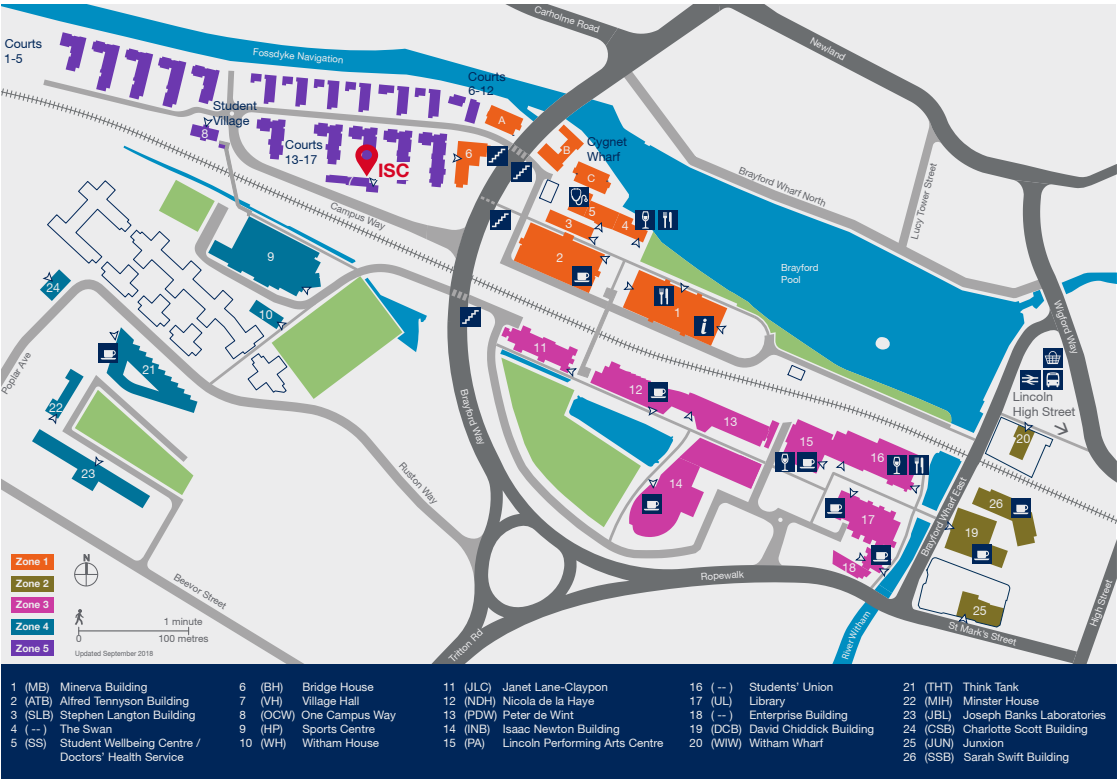

Nottingham: Typically 50 minutes
Sheffield: Typically 1 hour 20 minutes
London (King's Cross): Typically 2 hours
Manchester: Typically 2 hour 30 minutes

Travelling by air

East Midlands Airport (Nottingham), Manchester Airport, and Birmingham Airport are all within a two-hour journey of the University, while journey times from one of London's international airports typically range from two and a half to four hours.

Your Campus

Your Application

If you would like to apply to study at the University of Lincoln International Study Centre, you will need to complete an application form and submit the relevant documentation.

You can either apply through your local education agent or directly via our website.

If you are applying directly and have a question, a Student Enrolment Adviser will be happy to help. They speak a variety of languages and understand many more.

For more information visit lincoln.ac.uk/isc

Student Insurance

We strongly recommend that international students have the protection of personal insurance whilst in the UK. To cover you as a student at the International Study Centre, you may wish to purchase our "StudyCare Insurance Plus" insurance cover. This policy will cover you for loss of personal possessions, travel delay, as well as providing medical insurance until the end of your International Study Centre academic programme. You can purchase StudyCare Insurance Plus as part of the application process. If you prefer, you may take out insurance cover with another provider.
