School Overview

The University of Hertfordshire is the UK's leading business-facing university and an exemplar in the sector. It is innovative, enterprising, and challenges individuals and organizations to excel. With a student community of over 25,300, including more than 4,000 international students from 100 different countries, the University has a global network of over 210,000 alumni. At the University of Hertfordshire, they see student potential, they hear their ambitions, and they support their future. No matter where students join Hertfordshire, the aim is the same – be the best you can be. From the moment students land on campus, Hertfordshire will set them on a path to achieving their goals.
