## School Overview

As a Russell Group institution, research is part of everything they do. Professors are internationally renowned experts and inspirational figures at the forefront of innovation and discovery. Students are challenged to think beyond the textbook, the lecture theatre, or the lab and are encouraged to apply their learning to the world around them. The University of Liverpool offers a range of undergraduate, post-graduate taught, and research degrees. Students will graduate with a degree from a university ranked in the top 200 institutions worldwide and a range of multidisciplinary skills to ensure they stand in a crowd.
