School Overview

The University of Reading was established in 1892 and originated as a University of Oxford extension college. Today, they are among the top 30 UK universities in world rankings and have a world-class reputation for the quality of their teaching, research, and links to business. Studying at the University of Reading, students become part of a truly international community of more than 5,000 international students from over 140 countries. The University of Reading consists of three campuses in the UK: Whiteknights, Greenlands, and London Road. The majority of programs are hosted at Whiteknights.
